Mao Zedong <<<<Polish jew who protects sinead relentlessly. She has a channel named the new mayor of mgtown. on this Channel she records everyone's antisemitic comments, the main purpose for sineads channel. Anyway, this woman is actually weronika kuznaiir, a jewish/Polish author. Most of her books deligitimize the glorious third right and claim that hitler was working with zionist Jews, she does this to convince people that Hitler was corrupted so people don't realize he was right. She's an Edomite that knows what her fate is and is terrified of it. These Jewish operatives stock together so it is to no surprise that this ultra feminist jew defends sinead under many shadow accounts. Go to the channel " the new mayor of mgtown" and see for yourself. or look up this author wektoria and see for yourself. Start connecting the dots yourself.

Before we begin, a quick word about some recent changes that were made to this publication. Owing to a spate of intimidations and threats by Queeny Cameron using her “[Talisman Metaphor](#)” moniker on YouTube, I had to make sure that everything contained herein is within the limits of what is called “Publication of Private Facts”. That has been done (note the blocked-out portions of the screen capture images) and I am thrilled to announce that the newest edition is ready to go! WOO HOO! HAHAAHAHA! (This is an inside joke that you will understand, and hopefully appreciate humor-wise, soon enough.)

But before we dive in to YouTube’s cyberbully cesspool, here is the recent threat that was publicly leveled against me by Queeny Cameron on YouTube for this very publication:

If my investigation is such “junk”, then how come she (as “Talisman Metaphor”) is threatening me with a “tort claim” and all sorts of lies, slander, libel and harassment (see screen cap barrage below)? And why did she recently file a privacy claim against me (1/13/2017) on YouTube for my video investigating her *suspected* connections to JWO trolls and “[Homunculus in the Flask](#)”, another YouTube troll account of

hers? How can she possibly claim that my publication contains “libel” when it consists solely of people’s publicly written comments and posts online?

Queeney, as Talisman Metaphor, slanders my book as “white supremacist literature”. In fact, this particular book consists of German-to-English speech translations with accompanying analysis. The book *debunks* white supremacy; it proves that not even the Nazis themselves could uphold the fallacy of “white” or “Teutonic” “supremacy”. The truth is that Queeney Cameron is projecting her own ideology and thoughts onto me and my research. Listen to her anti-Semitic video here, for example, wherein she calls Jewish people “Kenites” and “the Seedline of Satan”, and she covertly bashes the SPLC:

<https://www.bittube.co/video/1609/why-is-talisman-metaphor-calling-jewish-people-kenites-the-synagogue-of-satan>

More of her slander, bile, lies, hate speech, defamation and libel:

It would appear that my favorite neo-nazi skinhead apologist piece of shit cyberstalker wants my attention yet again by making slanderous and libel postings. She admits to flagging my comments critical of her partner in crime known as Veronica [REDACTED] aka Evalon. The links to all of the videos will be provided. This person is up all day it seems. They have revealed their computer operating system to be a windows 10 computer. The evidence on VK Clark is also available in my comments on youtube in part 75 of sovereign citizens exposed.

This post is optional to follow. Theres not much to see here other than somebody who conspired with [REDACTED] and other white nationalist gang members. They are butthurt after being notified to the southern poverty law center. These kids are nothing to fear. Just keep watch.

Here are ALL of the videos she has made in the last week. The little butt worm wants my attention it seems. Can't even inbox me their problems and tries to take shots at people without informing them. So go fuck yourself V.K. Clark. You have a problem. Get out and get a life.

All of these videos feature out of date information. Her response was to speculate on things and rather accuse me of misrepresenting my viral views. Go to socialblade and enter my channel information. No bots are used. You are just nagolbud. You never learned.

VKClark was responsible for filing a false DMCA complaint impersonating Sinead McCarthy to drop dox with intent to cause severe emotional distress to the victim in. This happened in June of 2016 and this exact same cyberstalker has produced slander and libel and hasn't actually talked to me on a professional level about why she and her gang are being outed. She is not going to. Because she is a coward. She states she is transgendered yet identifies with neo-nazi ideology. This is hypocrisy when you see what the nazis did to homosexuals during the holocaust. She is part of a criminal conspiracy for slander, libel, defamation of character, witness retaliation, tampering with witnesses, destroying evidence, false DMCA abuse, reckless endangerment, hate speech, and aiding and abetting in identity theft. She pretends to be a journalist. No journalist in their right mind accuses people of things they aren't without verifying the facts. No journalist says that Talisman Metaphor is a racist, misogynist, and a cyberbully. It is called exposing domestic terrorism and outing people who break the law. Including VKClark and her associates. I will cooperate with law enforcement, the southern poverty law center, and ANY FBI agency ON ALL LEVELS against this criminal gang. I admire your passion in following me VKClark, but it is a lost cause. I hope soon you will realize just how wrong you are and abandon these associates of yours.

1. All evidence is in full tact.
2. You were found to have fabricated quotations from myself and my subscriber base in your blog.
3. Never have sent you a death threat or ANY kind of bigoted remark
4. You were the one who dropped dox after a false DMCA complaint was filed pretending to be Sinead [REDACTED]
5. You are in this for viral media views.
6. REAL journalists verify the facts BEFORE making the conclusions you yourself have made that were threatening, defamatory, and suggested you would hunt other people down.
7. You published personal information as the result of a false DMCA complaint
8. You took the original posts down AFTER it was revealed you fabricated evidence.
9. You put words in peoples mouths not even asking for their input
10. You defend white nationalist and white supremacist groups because you make a purpose of following people and make videos about them to put them under surveillance for critiquing you.

It would appear that my favorite neo-nazi skinhead apologist piece of shit cyberstalker wants my attention yet again by making slanderous and libel postings. Heres the video where VKClark denies stalking this channel and the subscriber base but shows over a dozen screencaptures with her own text added. The screencaptures reveal they were taken with an hour of the comments being posted. You mean to tell us you were at work all day when you made over a dozen videos about this channel? Thumbs down and reported to youtube for making libelous posts about this channel and its operation.

I do not know a single person listed in the following comment, other than Sinead. I do not know her personally, I only know *of* and *about* her online. The only reason I know about her is because she bullied me as being "transgender" (which I am *not*) in October 2014, and because Queeny Cameron kept making videos saying that we were the same person, which we are not:

It would appear that my favorite neo-nazi skinhead apologist piece of shit cyberstalker wants my attention yet again by making slanderous and libel postings. She admits to flagging my comments critical of her partner in crime known as Veronica [REDACTED] aka Evalon. The links to all of the videos will be provided. This person is up all day it seems. They have revealed their computer operating system to be a windows 10 computer. The evidence on VK Clark is also available in my comments on youtube in part 75 of sovereign citizens exposed.

This post is optional to follow. There's not much to see here other than somebody who conspired with [REDACTED] [REDACTED] and other white nationalist gang members. They are butthurt after being notified to the southern poverty law center. These kids are nothing to fear. Just keep watch.

Here are ALL of the videos she has made in the last week. The little butt worm wants my attention it seems. Can't even inbox me their problems and tries to take shots at people without informing them. So go fuck yourself V.K. Clark. You have a problem. Get out and get a life.

All of these videos feature out of date information. Her response was to speculate on things and rather accuse me of misrepresenting my viral views. Go to socialblade and enter my channel information. No bots are used. You are just like nagolbud but of a different ideology. You never learned.

I have no idea what “white nationalist gang” Queeny is talking about. What I can say is that her supporter/sock puppet “Duckheaddodado” is harassing, stalking, and slandering me (who may, in fact, *also* be her):

Update:

VK Clark has made a video addressing this channel. Up until half way I will be willing to address her concerns and criticism. But I refuse to answer to people playing good cop bad cop on the internet as part of a conspiracy to frame people up for things they themselves are doing to try and fuck people over. And thats the REASON I do not trust you. You have flat out lied about me distributing computer viruses and malwares with no facts or attention to the rebuttals. You don't have to trust me. But you aren't to lie about other people especially with the filth you said about several of my subscribers on your blog. Seriously? You market that stuff to people?

Another reason to pursue Veronica [REDACTED] is that it is just fun to say she is a cockshit racist neo-nazi piece of shit who sympathizes with adolf hitler who needs to be thrown in prison to see just how hateful her ideology can bring her to and who she will meet in prison. So how is that cyberbullying for calling out hateful and discriminatory rubbish when you yourself fabricated quotations and only took the post down after the SPLC was getting on your case?

3. Made many accounts to talk to herself with **lies and/or nonsense.**
4. Has no problem with the racism, homophobia, and defamation of character she endorses
5. Lies about other people with factually incorrect allegations of a conspiracy
6. Response to being told she is wrong is to continue making videos off topic
7. Fabricates quotes
8. Spins the argument into an attack on character
9. Blames people for things she herself does
10. Stalked the Talisman Metaphor channel since around June of 2016.

# Foreword.

Since my first release of this investigation, much has happened. Here is but a list of the most recent findings (the most recent is at the top):

<https://veraiconapublishers.com/?p=9001>

<https://vkantibully.wordpress.com/2017/01/23/proof-that-talisman-metaphor-real-name-donna-s-pino-cameron-co-opted-raging-rob-for-her-predatory-trolling-on-youtube/>

<http://www.veraiconapublishers.com/?p=8521>

<http://www.veraiconapublishers.com/?p=8545>

And then we have the three privacy claims which I received from none other than Queeny Cameron and her Talisman Metaphor sock account (on 1/12-1/13/2017):

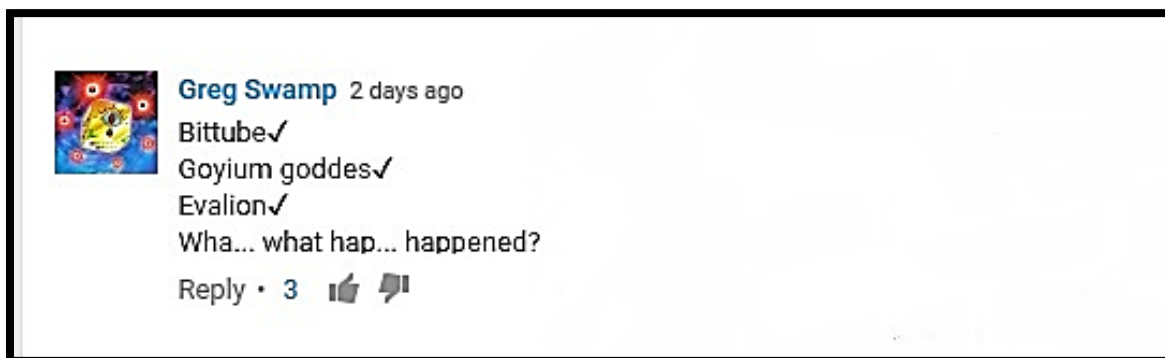

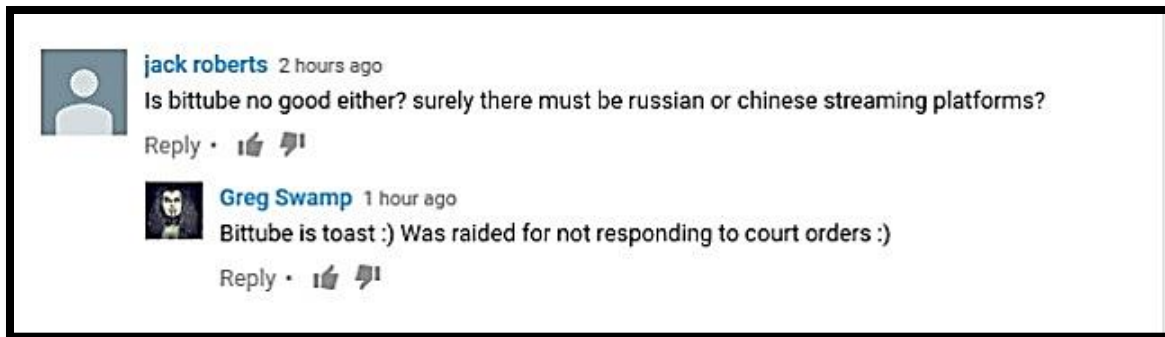

**Queeny Cameron is Talisman Metaphor (believe me when I say that this account was *by far* the most difficult to figure out):**

<https://www.bittube.co/video/1603/queeney-cameron-flagged-this-off-youtube-she-is-talisman-metaphor-henrik-based-israel-etc>

Youtuber “The Key” (formerly “Groove Clearing” and suspected Queeny Cameron sock account) filed a fraudulent DMCA counter-claim against me on YouTube. Numerous YouTube videos and accounts have disappeared, and sometimes reappeared. Entire channels and websites exposing “Queeny Cameron”, “Raging Rob”, and the “Joker World Order” troll network, – which, on January 22-23, 2017 confessed to having been used/co-opted by Queeny Cameron for the sake of predatory trolling in her behalf on YouTube – on YouTube have likewise vanished. And the culprit behind these unexplained disappearances appears to be none other than Queeny Cameron along with her husband/boyfriend “KeefTwoof” (Chance). Queeny claimed responsibility for much of the post-publication “vanishing act” under her favorite YouTube alias “Greg Swamp”, though she was likely bluffing (Bittube was simply down for maintenance at the time):

Fortunately, Bittube is back up and all of my videos exposing Queeny's and the JWO's cyberbullying and hate speech are available for viewing: <https://www.bittube.co/user/QueenExposed/videos>.

Funny that you are alleging DMCA fraud against me, "The Key". Both you and your Talisman Metaphor sock puppet appear to be engaging in what you are accusing me of.

They Key's suspected fraudulent DMCA counter-claim against me:

we're providing you with the counter notification and await evidence (in not more than 10 business days) that you've filed an action seeking a court order against the counter notifier to restrain the allegedly infringing activity. In most cases, such evidence would include a lawsuit against the uploader who filed the counter notification, which names the specific YouTube URL(s) at issue.

If we don't receive notice from you, we may reinstate the material to YouTube.

If you have any questions, please contact [copyright@youtube.com](mailto:copyright@youtube.com).

Counter-Notification as follows:

My video is legal under Fair Use (parody and/or commentary/criticism). Fair use disclaimer in the description. DMCA filed is false. I am prepared to defend myself in the court of law. Ever notice how all these troll accounts show up at the same time? The very short time lapses between these comments are the time Queeny requires to jump from one sock account to another in order to reply to herself.

More anti-Semitism, anti-LGBTQAism, hate speech, cyberbullying, predatory trolling, racism, etc., by this trolling network affiliated with Queeny Cameron, the JWO, and Talisman Metaphor:

Thank you for submitting your report. Here is the information we received from you:

**Issue reported:**  
Hateful or abusive content > Bullying

**Timestamp selected:**  
0:19

**Additional details:**  
This entire video is dedicated to cyberbullying and misrepresenting me, Veronica K. Clark. I am a World War II author and researcher and my website is <http://veraiconapublishers.com>. This uploader is lying in the video about me, bullying me as "transgendered" and as a "neo-nazi" when I am neither of these things. This is a TOS violation. I am not transgender and this person is flatly claiming that I am and that I said I was.

**Published on Jan 20, 2017**

Hate groups are no good. This is for everyone's awareness of who and what to watch for on the internet.

When it comes to the people who matter you fall on deaf ears. When it comes to mentally ill losers and nazis your ignorance is accepted and praised.

Looks like we've got a troll trying to attack and discredit me in this video, derail an active criminal investigation on several of her associates (not by me), and incite people to threaten me (which they have, all documented and reported, of course). I suggest that you don't give her that power by ignoring his completely baseless accusations and allowing the truth to eventually come out.

Here's Anthony Michael's YT channel (suspected Queeny Cameron sock account/affiliate):  
<https://www.youtube.com/channel/UC2GdL4zAi1NEFTu9d-dj96Q>

Here we have Queeny Cameron's most recent fraudulent DMCA claim on YouTube (contrary to her lies, her video offers nothing in the way of commentary, critique, or parody). She simply stole one of my

Deviant Art images and stuck it in a video to misrepresent my Hetalia cosplay, a flagrant misuse of “Fair Use” for the sake of slandering, defaming, and cyberbullying me. I *suspect* that the Law Office of Robert Alan Reed (Sherman Oaks, CA), listed in the (most recent) fraudulent DMCA counter-claim below, is complicit in this fraud. This attorney is nowhere on social media, he has no client reviews anywhere, he has no website, and he refuses to answer emails and phone calls. Owing to what I believe are valid suspicions, I filed a report with the California Bar Association to investigate [Robert Alan Reed](#) regarding this suspected fraud:

we're providing you with the counter notification and await evidence (in not more than 10 business days) that you've filed an action seeking a court order against the counter notifier to restrain the allegedly infringing activity. In most cases, such evidence would include a lawsuit against the uploader who filed the counter notification, which names the specific YouTube URL(s) at issue.

The following evidence adds to my suspicions:

<http://veraiconapublishers.com/QueeneyJWOResearch/queeney-cameron-poses-as-a-fake-attorney-DMCA-fraud.mp4>

This is in fact the *second* time Queeney Cameron has utilized this law office and attorney in a fraudulent DMCA counter-claim, the former time as YouTuber “Grove Clearing”, the second time as YouTuber “The Key”. Apparently, she will not stop stealing other people’s creative content to bully them with until she is sued.

To make matters worse for Queeney, here she is incognito, feigning to be a Mexican man in one account, and a so-called “Hasba-rat” (her hate term, not mine) named “Kalki Vishnu” in another:

This newest cray out of the way, much of the excellent content that I and others produced in the way of exposing these racist, white supremacist, anti-Semitic, anti-LGBTQ individuals is unavailable. However, much is still available on my [DailyMotion channel](#), on [my website](#), and on YouTube under “[Queeney Scameron](#)”, “[Queeney Blabberon](#),” and “[Queeney’s gone bananas](#).” I apologize for all the links and websites which no longer function to evidence my investigation, but I have left the defunct links as they are to show readers the lengths that this Queeney person and her JWO network of cyber trolls have gone to in order to silence those of us who have caught on to their serial stalking, harassment, hate speech, cyberbullying, defamation, racism, and slander on YouTube.

Obsess much, Queeny?

This woman simply will not cease with her anti-Semitic hate speech, anti-Black racism, and serial cyberbullying, slandering, defamation, and cyberstalking. It appears that she has had her fair share of “help” from the likes of her sock puppet account [Talisman Metaphor](#) (the account she used to *suggest* SPLC affiliations) and Raging Rob’s “Joker World Order”. Rob has since repudiated ever being “Greg Swamp”. He claims he never made a Greg Swamp account. He was apparently contacted by Queeny, or a pal of hers, via a fake Kevin/“Angus After Dark” Twitter account (which is now gone, but I have all the screen recorded evidence proving this) and co-opted to play the role of Greg Swamp—to get Queeny out from under the incredible slander, libel, defamation, racism, anti-Semitism, and hate speech she spewed all over YouTube at dozens and dozens of people as Greg Swamp. She apparently wanted Rob to assume responsibility for all this. To take the fall for her. Because that is the kind of criminal mind and master manipulator she is! I don’t call her a “cyberwitch” for nothin’, folks. She even created a racist, anti-Semitic Raging Rob account, and she (or a pal of hers) contacted me as “duckheaddodado” asserting via PM on YouTube that Raging Rob is “anti-Semitic.” I have all that evidence as well.

Why would you guys even be involved in the first place; Because I didn't even know about you until you came over to my channel. ## Queeny Cameron Speaks as Talisman Metaphor

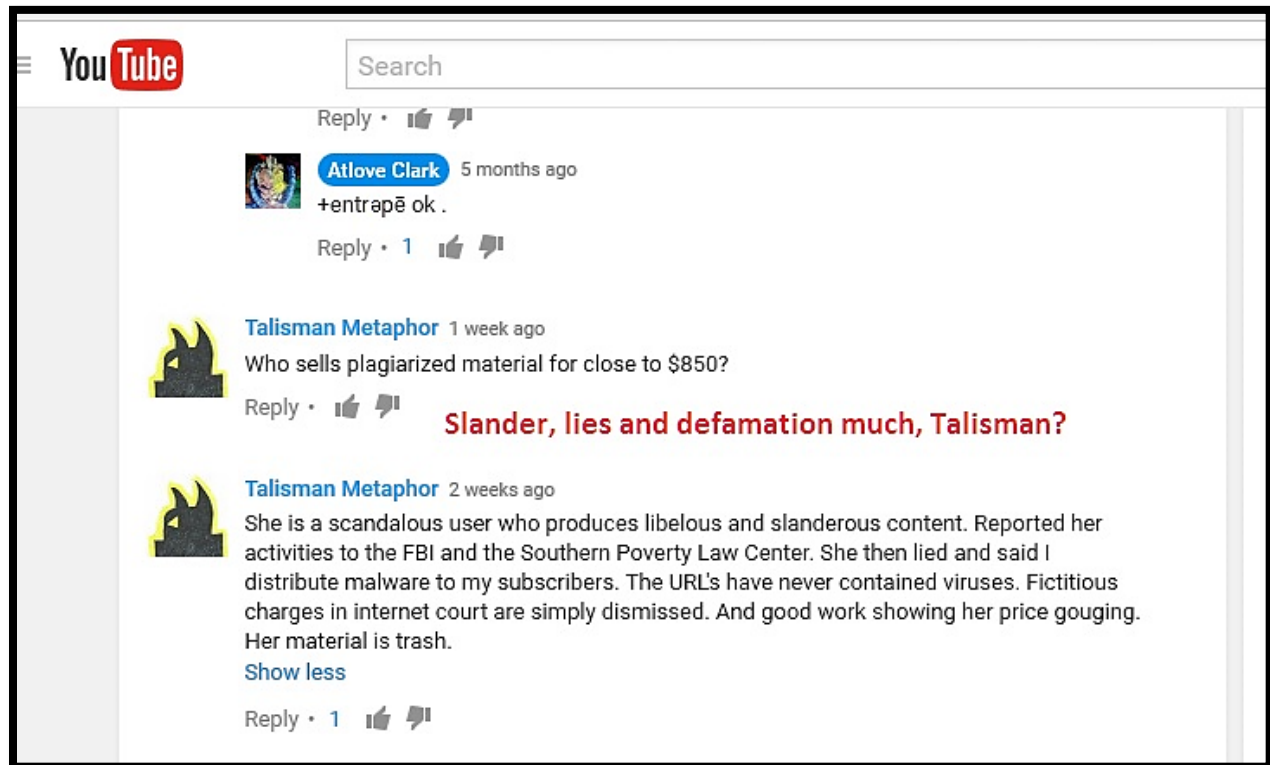

I will allow Talisman Metaphor/Queeny Cameron to speak for herself. In the following shocking comments, you will witness nothing but lies, slander, defamation, intimidation, cyberbullying, misogyny, hate speech, and serial harassment of fellow YouTubers, including me.

First things first, Talisman does indeed work with “The Key” in some capacity, a cyberbully that we *believe* is Queeny Cameron incognito:

Next, we have indefatigable proof that Talisman Metaphor publicly slandered and defamed me on YouTube. I clarified AtLove Clark’s lies and slander about my book “Black Nazis” (out of print 2009 ed.) months ago: <https://veraiconapublishers.com/?p=7586>. Talisman Metaphor/Queeny Cameron is ignoring the truth, which is readily accessible on my site: <https://veraiconapublishers.com/?p=2892>. I am none of the sellers of the first edition on Amazon, so Talisman and Atlove Clark are both confirmed liars. Talisman/Queeny is so vicious that she resorts to calling my books “trash”. Like her cyberbully C.I. “friend” AtLove Clark, she has not read a single one of them. As for Talisman having reported me to the FBI, that is the silliest thing I’ve ever heard. I have nothing to do with white nationalism or criminal activity on the Internet. I am an observer, private investigator, and historian. I am not the one who violated DMCA and openly admitted to abusing “fair use” law. Talisman/Queeny did that. And I have the proof in this ebook. Moreover, Talisman/Queeny claims without proof that I “slandered” and “libeled” her. Nonsense. As I repeatedly state in this ebook, and in the applicable linked posts and videos herein,

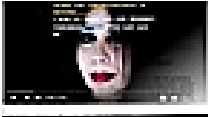

much is still *unanswered* and this is an *ongoing* investigation. When people do things anonymously, of course that makes it more difficult to prove things beyond any doubt. But if I was not spot on or close to spot on, Queeny (as Talisman) would not be bullying, lying, attacking, slandering, defaming, and libeling me and my research as she has and continues to do. She betrays herself, she does.

**Talisman Metaphor, please update your YouTube libel/slander about me asking \$850 for my book. Here we have two sellers, neither of which is me, asking over \$4K for my book. By all means, slanderer, write a libelous comment about how I am allegedly selling my 2009, out of print book for over \$4K. Be sure and tell that racist skinhead AtLove Clark about it. Mmmmkay? Here, she reveals her cyberbullying, harassment, and cyberstalking of a 19-year-old woman, because she likes not what she says (is she also going to stalk, harass, and bully [MILO](#)):

**Talisman Metaphor** 1 week ago

So many minors support these kinds of ideologies because of the sex appeal of people like Veronica [REDACTED]. She and her associates identify people with evidence against them and begin a campaign of aggravated harassment through interstate and international commerce. They then begin to attempt to hack into the accounts of people with evidence against them attempting to destroy and retaliate against witnesses. The attackers escalate things on social media. Report and block them IMMEDIATELY.

I have no idea what Talisman Metaphor is talking about here. She imagines that I have anything to do with this young woman “Evalion” who she is bullying. I have never spoken with her, to her, or even at her in person or online at any point in time. Talisman has been caught lying and slandering yet again:

**Talisman Metaphor** 1 week ago

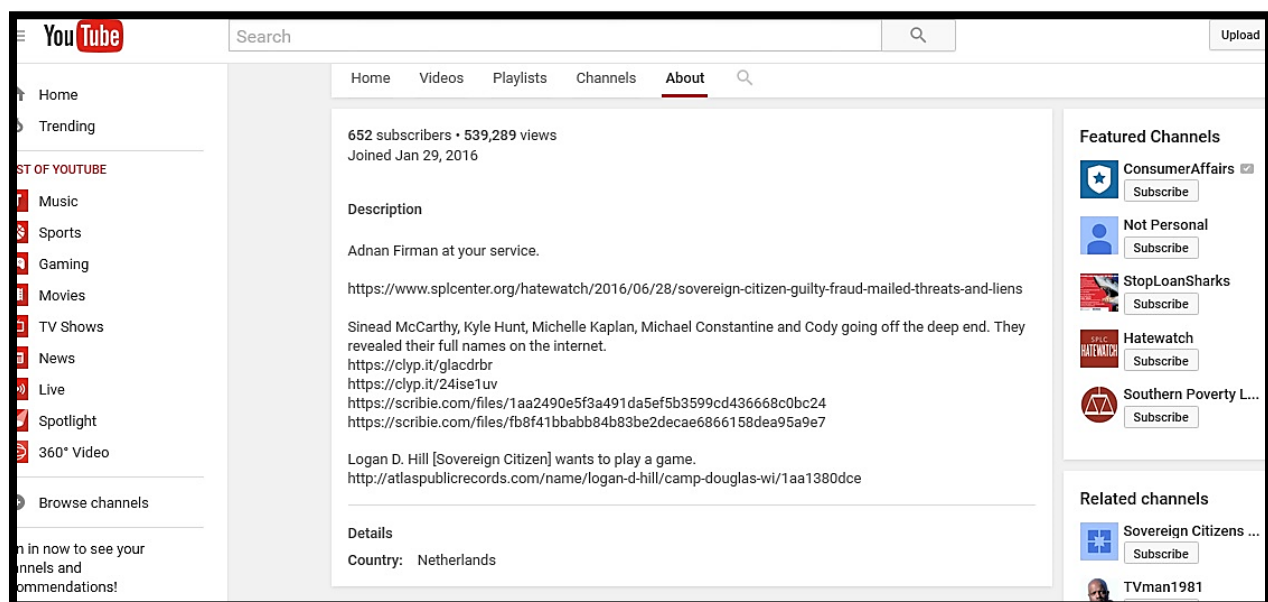

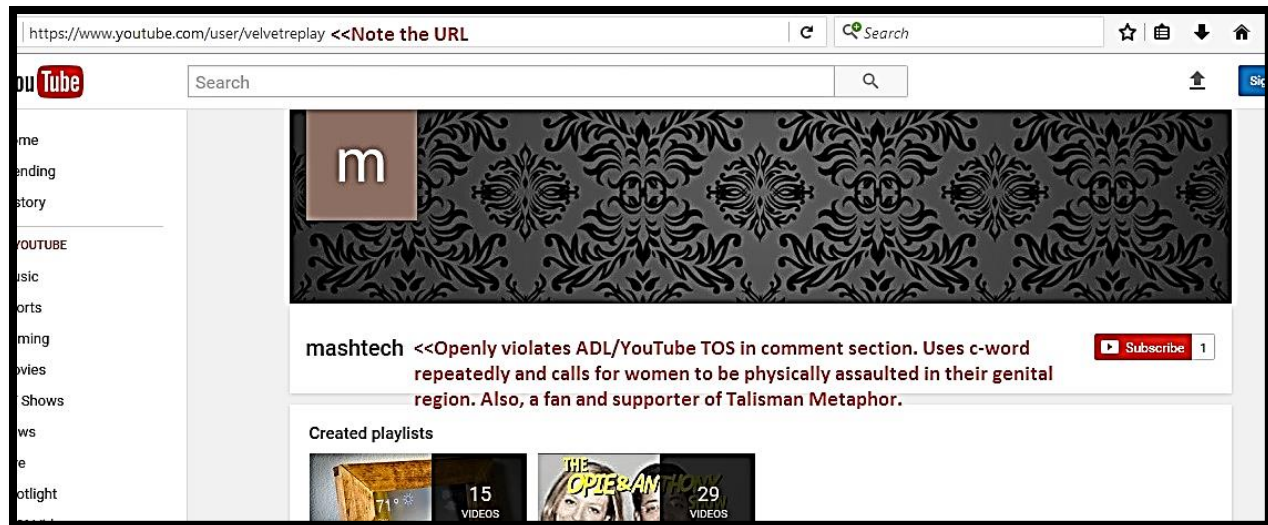

What's happening Veronica? Did you enjoy getting yourselves reported to the southern poverty law center? Did you enjoy proving absolutely nothing of value being lost about yourselves? Want to talk about the time you made a video discriminating against jewish people? Want to talk about your scumbag friends on file? Want to talk about the time VK Clark abused the Copyright system to write slander and libel that has been documented? Want to discuss the time you invited ALL your subscribers to endanger the lives of people with evidence against you? Hope this was ALL REALLY WORTH IT for you in the end. Oh, and your supporters can go to hell.

On the other hand, little “[Mashtech](#)” here, who is a Talisman Metaphor sock account, supporter or fan, is openly advocating physical violence against a woman’s genitalia. Talisman and her many vicious followers/sock puppet accounts unashamedly violate YouTube’s ADL terms of service agreement to purportedly “combat hate speech” and “gender discrimination” all the time. Oh, Queeny, you are too obvious:

A lot of mental illness runs through them. The story of Tabitha Gentry at 15:22 is hilarious. She was sentenced to 20 years in jail for squatting adding to 14 more years for trying to run down police. In the pathetic justice system, it will be released in less than 10 years but will be gone for a while.

Ever notice how all these people claiming that they are being oppressed sound exactly the same, from The right wing crazy redneck militia crackpots to The left wing **BlackLivesMatter idiots**. These fucking retards have no clue what oppression is, maybe they should look at places like North Korea, Saudi Arabia, Somalia, Sudan, Syria, Turkmenistan and Uzbekistan where civilian political and civil liberties are virtually non-existent. IF you can't make it in the one of the worlds freest nations, like the United States, then you can not make it anywhere.

Additional details:

This video has malicious, cyberbullying intent, as the title contains the hate term "Mamzer", which means "bastard". This mean title is obviously directed at the person featured in the video who has relatively dark skin. The uploader of this video has hijacked the content of the bully victim, content which has been carefully displayed/selected so as to attack the bully victim's physical appearance. The uploader then connects this person to other people randomly, aka false associations.

And how come “[Grove Clearing/Neo-Nazi Watch dog](#)” and “[Groove Clearing/The Key](#)” used the exact same DMCA counter-claim name and law firm in their counter claims on YouTube? The only difference was the fake email address used in each separate claim. Can you say DMCA fraud, Donna? I have the proof, hon. I have the proof.

My apologies for the anti-Semitic hate speech below, but this is further proof that Queeny “The Key” Cameron and her co-opted “Joker World Order” co-trolls worked as a team to serially harass, intimidate and superflag fellow YouTubers off the platform. Giovanni’s Sanctuary (below), an anti-black racist, appears to slander alongside Queeny and may even work with her to serially bully, harass, and incite hate speech on YouTube:

Yeah, I asked that question too. How in the hell is Queeny Cameron and her troll network able to get away with this sort of flagrant violation of YouTube’s Terms of Service? The answer appears to be her connections to YouTube administrators and/or the JWO network, which claims to “control YouTube.” More on this follows.

Fact is, Queeny is not much different than your “run of the mill” neo-nazi on YouTube vis-à-vis her racism, hate speech, cyberbullying, slander, defamation, and anti-Semitism:

Listen, this is an honorable and forthright kid who has done nothing but stand up in the face of slander and ridicule. I [haven't](#) seen ONE person who is personally involved in this case get up in front of cameras and go on shows where he can be put on the spot in a second and tell the TRUTH! He has voluntarily taken a polygraph and has been very candid about everything, AND, opened hisheart, where other's have slammed doors in the face of the media, or hid in their homes because they are NO LONGER interested in answering ANYMORE questions about the lies their daughter has told. Cindy pointed her finger at not only Jesse, but ANYONE else she could, to shift blame. But justice WILL prevail, and truth WILL be found out. Poor little Caylee should have been IMMEDIATELY handed over to the Grund family because she would STILL be alive TODAY! Jesse.. You ARE Caylee's Father! No one can EVER take that away from you. Maybe not biologically, but in your heart she IS! To the Grund family: This baby was given to you, and then RIPPED out of ALL of your arms. I can only imagine how it feels to have a baby that was born into a DECENT and LOVING family taken away. My heart goes out to ALL of you. I am TRULY SORRY FOR ALL OF YOUR LOSS! Respectfully, Donna.

Yep. You read those comments right. Queeny Cameron and many others like her on YouTube, who convincingly feign Jewish affiliations and/or identity, have effectively sown enough discord and paranoia among white nationalist circles that *everyone* and *anyone* who disagrees with their particular views is a

“Kike” or “Hasbara rat.” This is unfair to Jewish people; it is also unfair to white nationalists since they are victims of deliberate deceit and taunting in this regard. People can and do get hurt by this extremely vicious, dishonest, and career/reputation damaging online repartee. Both sides ought to be entitled to their views, as long as they are non-violent and non-harmful to careers and reputations; indeed, neither Jewish people nor white nationalists should have to worry about slander, defamation, hate speech, lies, and cyberbullying directed at them. Ever heard of Milo Yiannopoulos? He is a *perfect* balance between these two antagonistic groups of people and he’s *absolutely brilliant*:

The second comment is from user 'a wyatt' (profile picture of a purple square with a white 'a') posted '1 day ago'. The text is: 'Thanks jews!'. It has 8 replies. The third comment is from user 'Wilk Mocy' (profile picture of a skull) posted '1 minute ago (edited)'. The text is: '<<Yours truly. :<)' followed by a paragraph: 'It wasn't "jews" who flagged her channel. It was a lunatic named Queeny Cameron (real name Donna [redacted]). She also attacks Christians, including pro-Israeli Christians such as Evangelist Anita Fuentes. Anita is Latina and very pro-Israel. Yet, Queeny HATES her. She hates her so much she did everything in her personal power to destroy Anita financially. The ONLY thing that has ever saved anyone from this wicked witch was reporting her to the ADL. You need to stop blaming elusive bogeymen when there is MORE than ample evidence proving their innocence in this particular case: <https://www.amazon.com/dp/B01M8GC9BL/> The only time anyone should be placing blame for such things on any Jewish person or people is if they have solid evidence to prove that. It was not until Schwarze Sonne and Sinead started calling out Groove Clearing (Queeny) that her channel got flagged. This happens every. single. time. I notice because I watch it go down. Every. ## Addendum to Foreword.

### Queeney Cameron is Talisman Metaphor

In the light of the latest evidence, I stand corrected on one point in this newest edition. The SPLC is completely exonerated of any wrongdoing or involvement in Talisman Metaphor's cyberbullying and stalking activities on YouTube, contrary to my previous suspicions. Queeney almost had me on that. And this was, of course, her intention. The creepy bully. She was apparently trying to implicate the SPLC and/or use them as "cover" for her vicious cyberbullying of white nationalists (WNs) and Digital Nazis in particular, as well as the so-called "Sovereign Citizens".

But believe me, Digital Nazis/WNs are not her *only* targets:

<https://www.youtube.com/watch?v=WxRJlsjmn9Q>

<https://www.youtube.com/watch?v=67WuC20YGc4>

<https://www.youtube.com/watch?v=tu5AHGm6WrQ>

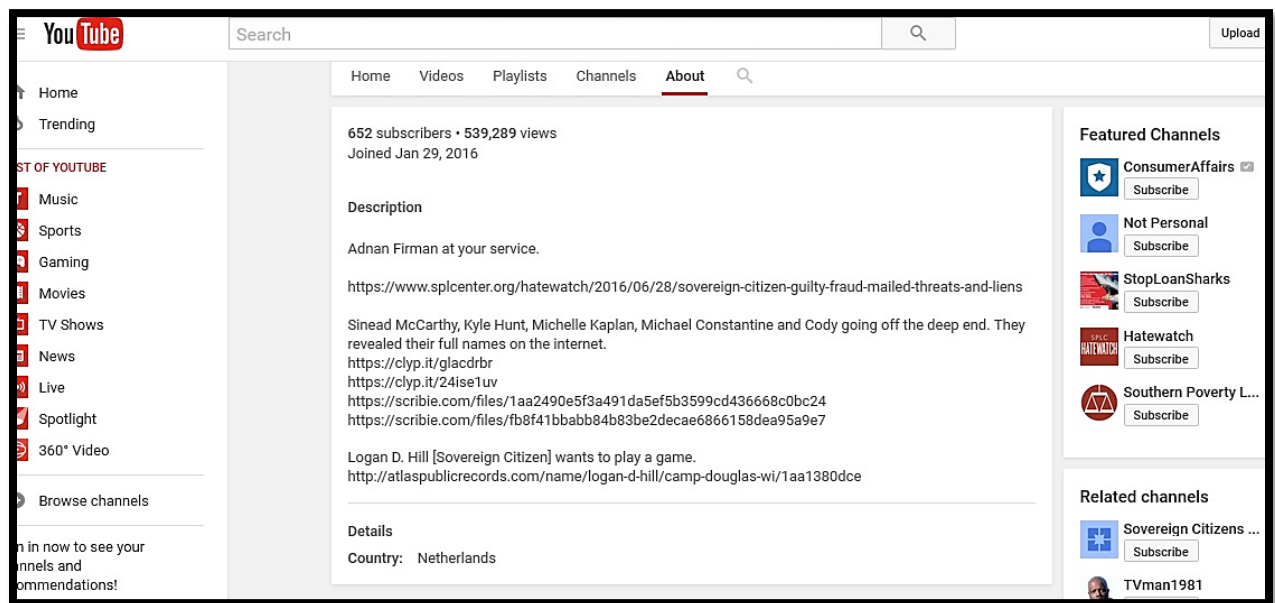

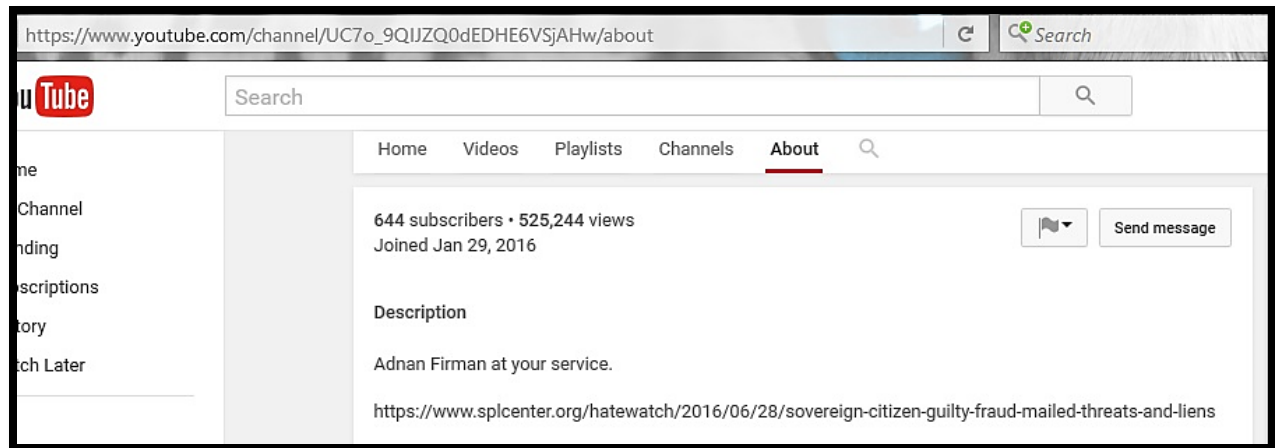

<https://www.youtube.com/watch?v=BQiArZ1zYD0>

Queeney Cameron (as Talisman Metaphor) [was apparently feigning SPLC connections to:](#)

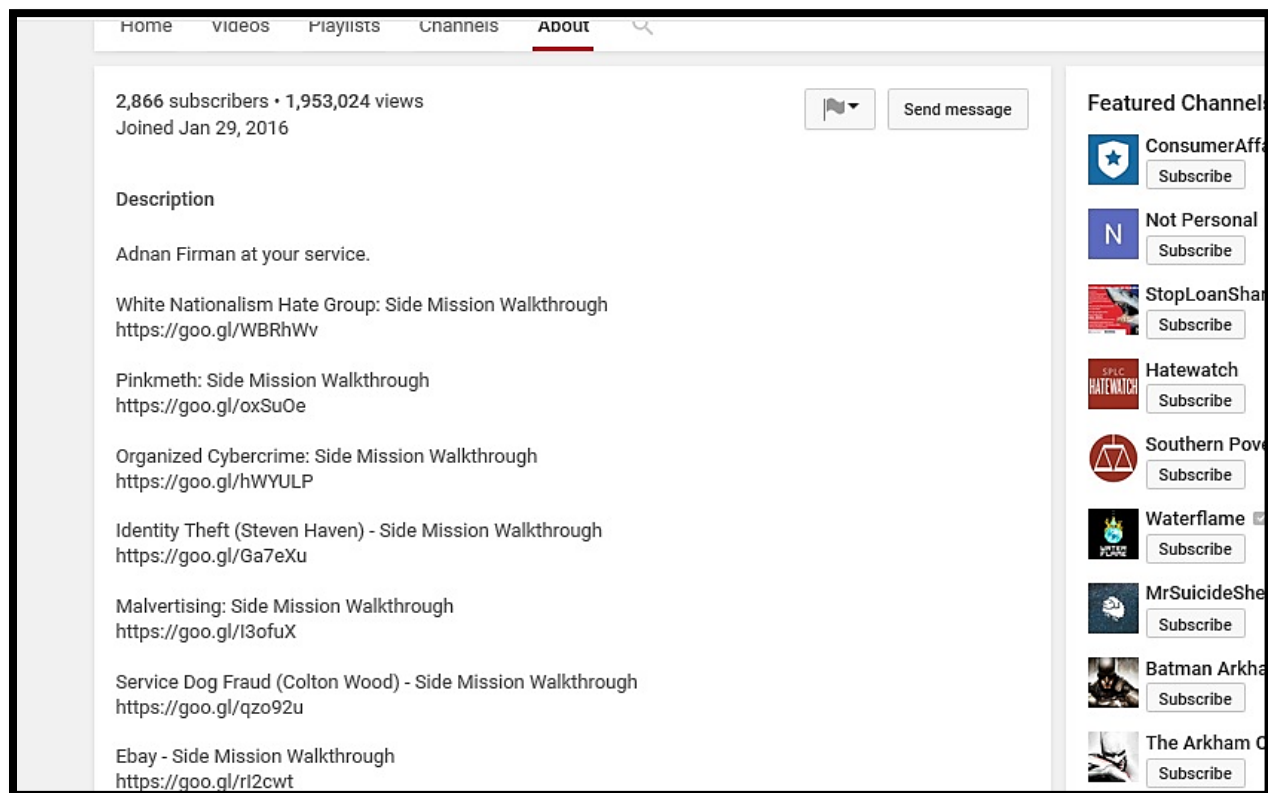

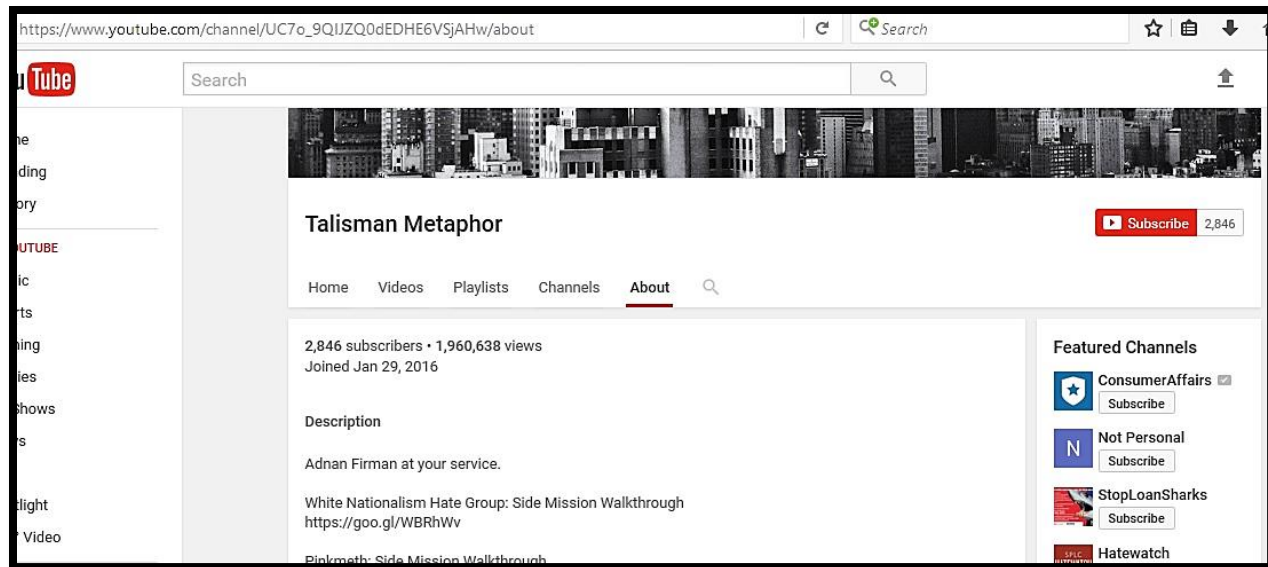

- 1) scare WNs/Digital Nazis; and
- 2) give herself "Jewish protection".

In fact, her original "About" page and her numerous YouTube threats (see screen caps below) suggested to her WN targets that Jewish people, namely the SPLC, were responsible for her trolling, bullying, stalking, and false claims against her targets/victims—in this case, mainly the "Sovereign Citizens". This is a serious issue. [This MUST be exposed far and wide.](#)

Because I received a copyright strike [thanks to certain people who were exposed for going off the deep end] this video was limited to 15 minutes. Here is Queeny Cameron intimidating a fellow YouTuber as Talisman Metaphor, suggesting that she is affiliated with or working for the SPLC (this targeted person subsequently attacked me and threatened that I will be "taken out" one day for being "a traitor"):

Correction: Queeny has been caught using false IDs, names, and addresses in her various DMCA counter claims (she used this one with her "[Grove Clearing/Neo-Nazi Watch dog](#)" and "[The Key](#)" accounts):

Counter-Notification as follows:

Videos included in counter-notification:

My video is legal under Fair Use (parody and/or commentary/criticism). Fair use disclaimer in the description. DMCA filed is false. I am prepared to defend myself in the court of law. The claimant is a notorious dmca abuser who has been banned from this site for abuse several times. Claimant does not provide real information in the malicious dmca complaints. She purportedly used this one for her Talisman Metaphor account:

Display name of uploader: Talisman Metaphor

Sinead uploaded the original audio on her soundcloud. That audio was downloaded publicly. My video was intended as a fair use critique because the thumbnail was grouping Sinead in with the other associates that are notorious for obtaining personal information to censor people out through intimidation. The original audio was more than 51 minutes in length. Multiple versions of the same audio have been uploaded. This was recorded by someone naming themselves "Constantine".

Thomas [REDACTED]

TalismanSpectre@gmail.com

610-[REDACTED]

But, alas, according to Google maps, this address doesn't exist. Ostensibly, Queeny Cameron is guilty of DMCA fraud and perjury:

Personally, I am neither pro-WN nor anti-WN; I am neither philo-Semitic nor anti-Semitic. I am a mediator by nature. I am both critical and complimentary of both sides of this issue. But what Queeny has done on YouTube, and is still doing against WNs *suggestively* in the name of the SPLC, is wholly unacceptable. In fact, it is *disgusting* that she would play such a role to frighten people, to cast suspicion upon the SPLC, deflecting responsibility from her own rotten self, and in this way put real Jewish people at risk of retaliation for her predatory trolling of WNs. This cyberwitch needs to be stopped.

"Talisman Metaphor" is "Queeney Cameron". The cyberwitch tried to make a comeback, but I and my fellow P.I.'s outed her rather quickly. Her greatest cover, Talisman Metaphor, has been blown. She is very, very angry about this and as such is currently extremely dangerous.

Just look at the way her followers talk, advocating gratuitous violence and even pretending to be Adolf Hitler on YouTube:

## Intro.

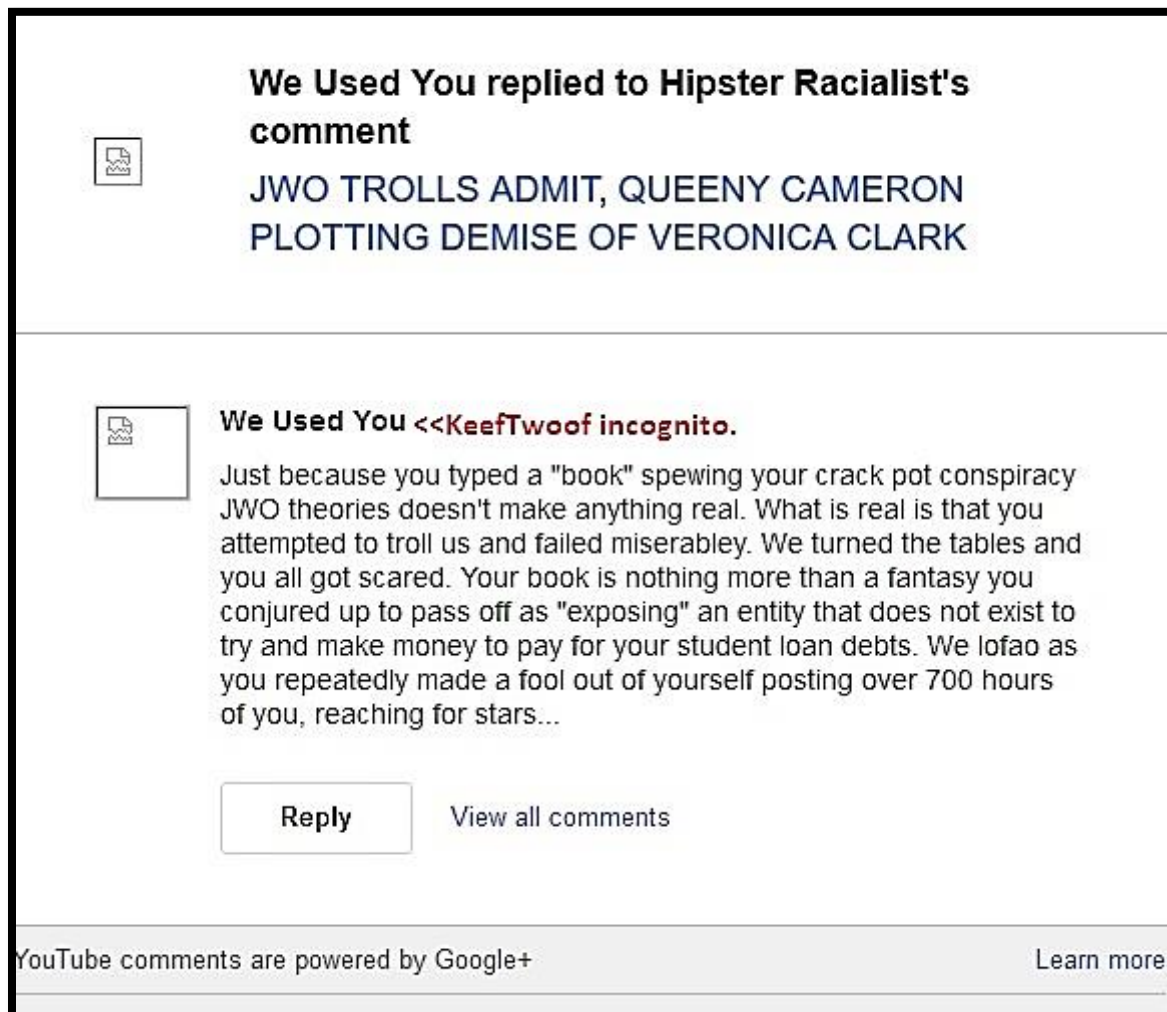

### Does the Joker World Order Control YouTube (as it claims)? Is Queeny Cameron its Titular Head or Did She Just Co-Opt It? What are its Goals?

The JWO. They skulk about YouTube spewing super racist, anti-LGBT, anti-Semitic, and sexist comments ubiquitously, whilst they superflag others who do much less in the way of virtual hate. Who are they? What are they? And why do they exist? To sow discord? Amongst whom and why? For what purpose? To what end? And why is some JWO operative or other always trying to “negotiate” with me to remove my material exposing the JWO’s connections to Queeny Cameron and KeefTwoof, the ‘Twin Plague’ of YouTube?:

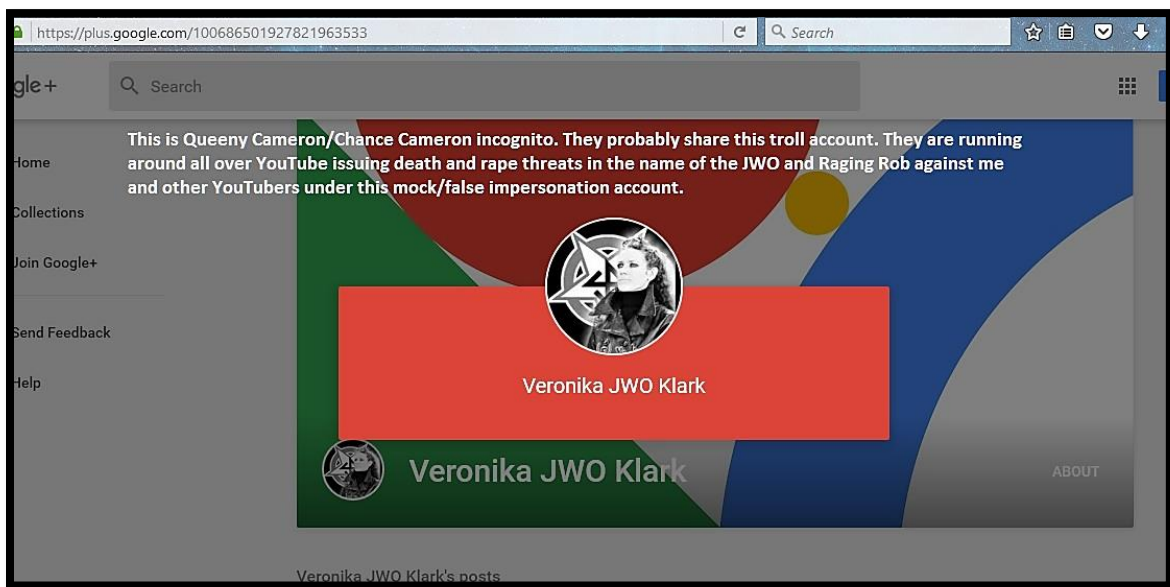

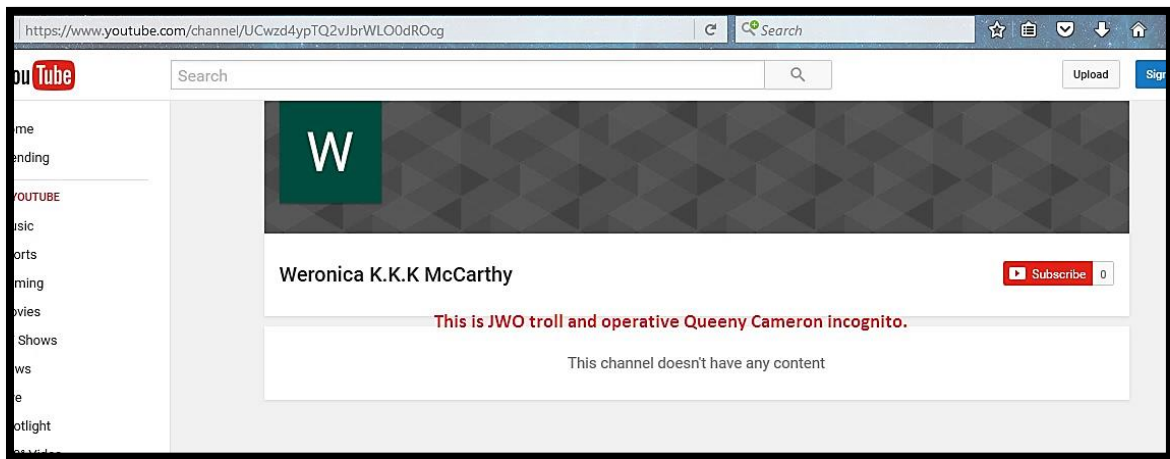

Nevermind that “it’s” and “piece” are both misspelled in the above 8/25/16 ultimatum, which I rejected outright in the name of all who have suffered at the behest of this malicious group on YouTube. Indeed, the above “request” contradicts the concerns of JWO troll “We Used You”, who I suspect is either KeefTwoof incognito or, perhaps, “[Raging Rob](#)” himself. It’s not always obvious “who’s who” when it comes to trolling and sock puppetry. In any case, this person is part of the JWO, the most important factor, and this person claims that my analyses so far equate to “over 700 hours of [me], reaching for stars...”:

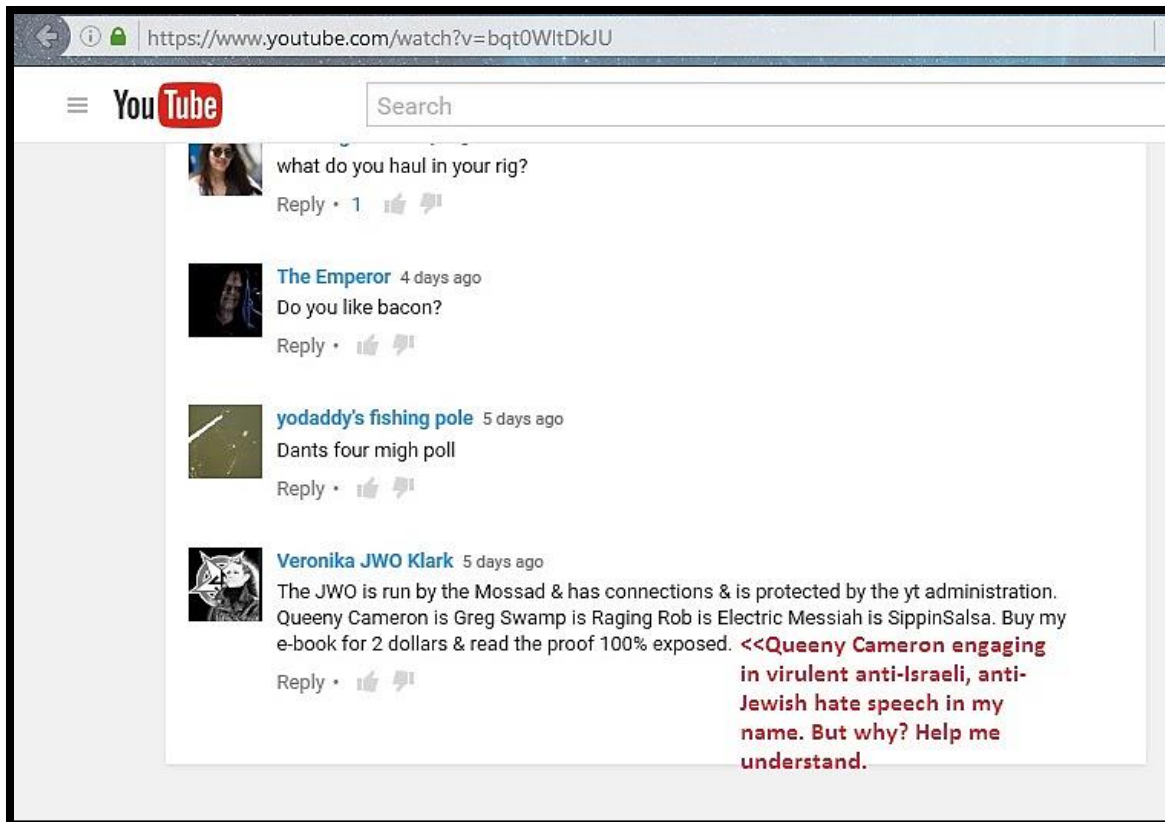

Hmm...if this is the case, then 1) why is “Raging Rob’s Informant” attempting to negotiate a peace treaty with me, and 2) why are so many members of the JWO trying to attack and/or discredit me via mock impersonation, slander, defamation, anti-Semitic references, asexual discrimination, death threats, rape threats, and sexual explicitness on YouTube, [including Mr. Kinnison himself](#)? Here are a few screen captures which evidence my claims (much more to come later on):

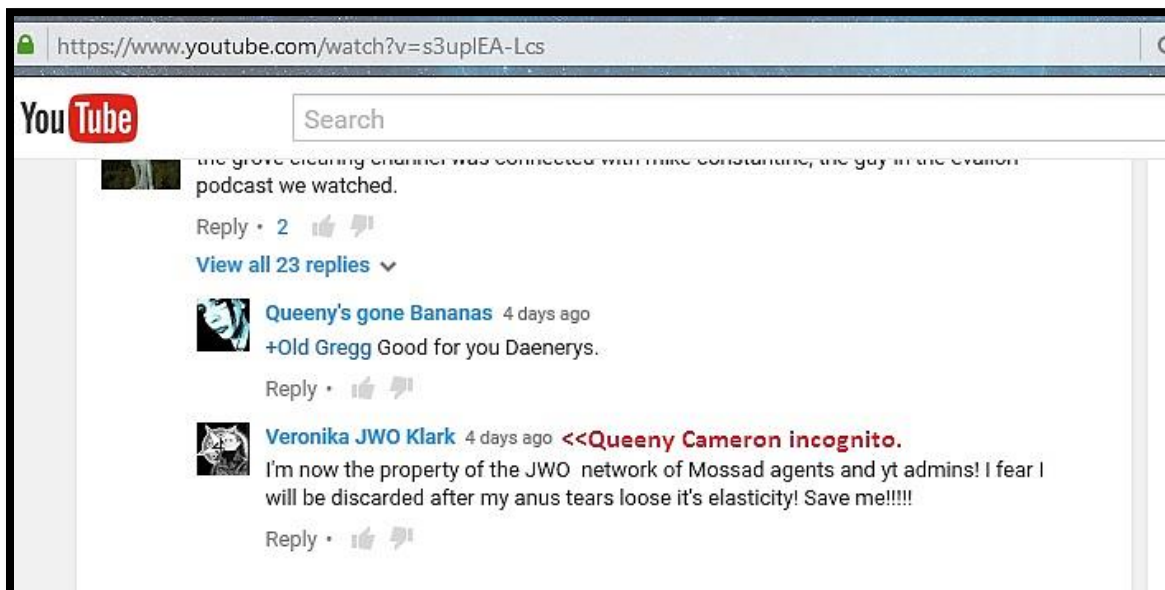

Mock impersonation:

Anti-Semitism:

Rape threats and sexually explicit comments in my (mock) name:

Duck Dodo here recently wailed and moaned to Talisman Metaphor about some alleged repercussions (which I have *nothing* to do with) for viciously slandering me:

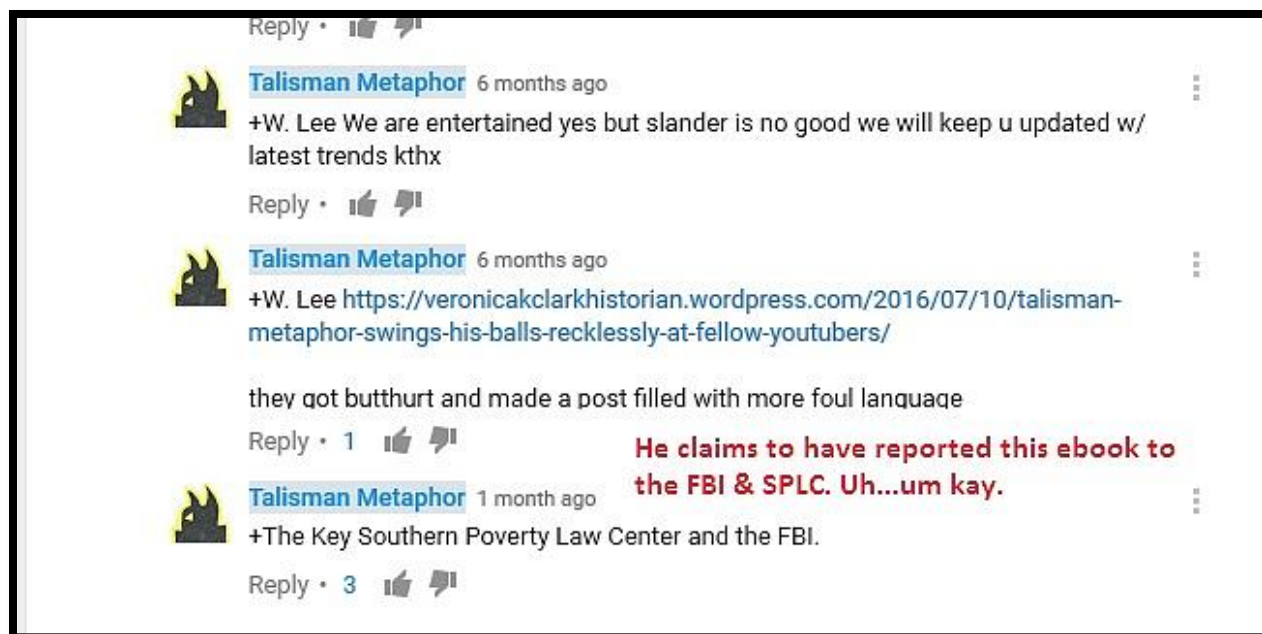

His channel URL: <https://www.youtube.com/user/duckheaddodado/videos>

And here we have Talisman telling Queeny/The Key (her comment has since disappeared, but her name is still in Talisman's comment) that he reported me to the SPLC and FBI for this publication. Say what?!

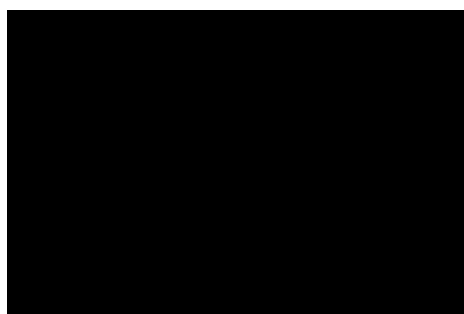

This brings us back to the key question I asked at the beginning. Why does the JWO exist? Its alleged “leader”, Raging Rob, claims that it’s all about sports. But Queeny Cameron has nothing at all to do with sports or the NFL. And neither does Satanism, a prevalent theme among the JWO. In fact, Rob claims to be a “Christian man.” So why in the world did Raging Rob “white knight” for Queeny Cameron, going so far as to pose as Greg Swamp in the flesh, if the JWO has nothing to do with her and KeefTwoof and is all about sports? That makes as much sense as pickles in ice cream. Rob also claims that the JWO is an outgrowth of the TTC, or “Trash Talking Circle”. Fine. But if this is the case, then why are [full-blown Satanists](#), [suspected and confirmed sex offenders](#), [individuals claiming to be working for the Jewish Telegraphic Agency and living in Israel](#), and [white supremacist/identists like Queeny and Keefy being protected](#) by the JWO? [Why is the JWO trolling me](#) and [other YouTubers](#), who are exposing Queeny specifically, with [threats of censorship](#) (i.e., super-flagging our channels right off YouTube), death threats, rape threats, [impersonation](#), and [intimidation](#)? Lest we forget, one of the JWO “Greg Swamp” accounts attempted to intimidate one YouTuber whose job was literally threatened by the online actions of Queeny Cameron. [Raging Rob gave Queeny a “shout out” and refuses to remove said video.](#) [He also viciously attacked me.](#) I still have no idea why he did this...other than he did it for Queeny Cameron. [Nothing else makes sense.](#)

### Raging Rob’s Channel on YouTube:

## **“Raging Rob” Poses as Greg Swamp for His Queeny:**

<https://www.youtube.com/watch?v=Uxl82Lgl04>

And yet, [here](#) we have lunatic Rob *disclaiming* that he is Greg Swamp. Apparently, “the biblical puppet master” can’t decide *who* he is. And, lo and behold, heeeeeeeeeere’s (his) Queeny...bullying and slandering right alongside him on 9/3/2016. This is shocking, I know:

And here she is playing the role of “white nationalist misogynist” on 10/12/16:

So, why *do* they exist?

While this book cannot forthrightly answer this question since I, the author, and those who have thus far assisted me are not part of the “in crowd,” our [current evidence suggests possible federal or foreign government affiliations](#). I will let readers decide which foreign government(s) they believe might be behind such abuse of YouTube. [It is oftentimes self-evident in the screen capture and video evidence](#). Then again, maybe they are US feds, [like the super-racist pig Hal Turner](#). Who knows. They sure do spend a **LOT** of time on YouTube...hating, trolling, and controlling what others say and do. And they just *love* eliciting anxiety, creating chaos, and sowing discord and confusion among victims. They appear to *desire* incitation of hatred and violence in the light of all the anti-Semitic and racist comments and notions they discharge. Maybe *that’s* their goal. To get their targets to self-indict, to engage in hate speech for the sake of ever more censorship, to commit violent acts in the name of conservative ideology. That’s who they target the most. Christians, conservatives, and nationalists. They tend to leave liberals alone. Revealing, no?

You say this makes no sense? If they are “anti-nationalist,” “leftist,” and “anti-conservative,” then why do they bully transgender people, [asexual people \(like me\)](#), women, minorities, Jews, etc.? Makes no sense, right? Ah, but this is where it gets a bit complicated for the outsider looking in. They are using reverse psychology to get what they want.

Here is a comment, for example, made by a suspected JWO operative on 8/21/16 named “Johnny Rebel” (I was kind enough to inform the creep of the consequences of his anti-Semitic/misogynist comment, but he didn’t listen):

For example, if they are targeting “white nationalists” on YouTube, such as little “Johnny Rebel” here, they spew anti-Semitic and racist slurs hoping that such commentary will elicit confusion, paranoia, distrust, discord, and (hopefully) violence and more hate speech (made by the “white nationalists” and not the JWO trolls). “Johnny Rebel” is suggesting that the white nationalist woman speaking in the video in question is “Jewish,” with zero proof, solely to elicit paranoia and distrust among her audience. He is challenging her validity in the eyes of fellow white nationalists, the target victims of his trolling. Very clever, Johnny. But not clever enough. (And please tell me what Greek person calls himself “Johnny Rebel”? ROFL@this blatant stupidity on the part of a troll).

Anyway...

The goal of people like little anonymous Greek rebel “Johnny” here? Simple. Pro-white people and white activists are demoralized or chased off YouTube entirely by the JWO attacking their physical appearance (especially women), their ethnicity (calling them “Jewish” with zero evidence), as well as their relentless attacks on said people’s fan base. As well, JWO trolls like little “Johnny” here want to see that pro-white/pro-nationalist/pro-conservative censorship *increases* and acts of violence – *in behalf* of white people and *by* white people – are *increasingly* singled out and ever more *harshly condemned*. **White nationalists’ “freedom” to “hate” on the Internet, such as on YouTube, is quickly (and cleverly) blamed.** The JWO trolls who caused all this havoc then quietly steal back into the dark abyss from whence they emerged like the festering corpuscles they are. You see how this little game of theirs works? Are their ultimate goals becoming clearer? If you observe them enough, you can catch on quickly. [I have. And I am not alone.](#)

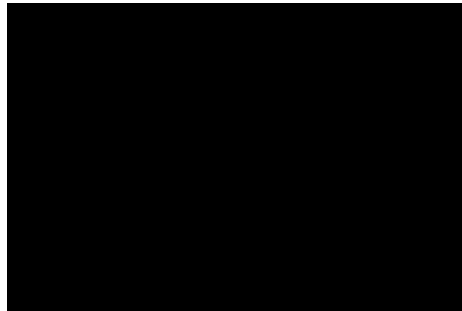

Before we go on, let me just say that some of the videos I have embedded or linked to have been removed by the users. I apologize for that. It cannot be helped. I have relinked the ones I was able to back up, or which were backed up by others prior to the JWO’s head falling and hitting her head (not literally, of course). What I mean to say is that the suspected titular head of this group, most of whom are self-proclaimed Satanists and practitioners of the sigilistic occult pseudo-sciences, has disappeared

from the Net. Totally. Like scrubbed. At least, for now. But let's not waste time on her just yet; let's move on to the juicy JWO stuff. Shall we?

A group of cyberbully-trolls called "The Joker World Order" (JWO) claim to "run" and/or "control" YouTube. And lo and behold, they are indeed able to threaten and enact video and channel removals with impunity. I have been a victim of this and I have seen this happen to several others. Here's one of them now (nevermind that he cannot spell the word "big" correctly):

**JWO operative "SippinSalsa" threatens me on YouTube:**

[https://www.youtube.com/watch?v=X8GFg7\\_j2oo](https://www.youtube.com/watch?v=X8GFg7_j2oo)

**The JWO super-flagged this YouTube user when he discussed their (MIA) "titular head" Queeny Cameron:**

<http://veraiconapublishers.com/QueeneyJWOREsearch/tidal-attacked-by-queeny-cameron.mp4>

**The JWO threatens my "demise" (i.e. my death) and suggests gang-rape simply because I am asexual:**

<https://www.youtube.com/watch?v=YBLztV66gSI>

Alternative: <http://veraiconapublishers.com/QueeneyJWOREsearch/jwo-death-threat-against-me.mp4>

Meanwhile, they will delete their channels before any investigation takes place and then put them right back up once they have the “all clear.” I have personally witnessed this. The titular head of this group, or so it appears, is an ex-DoD/USAF woman named “Queeny Cameron”; she has since disappeared from the Internet. But this JWO network vows to “resurrect” her despite her serial trolling and repeated YouTube TOS violations, racism and anti-Semitism. Here are some videos about “Queeny” and her ties to the JWO: <http://veraiconapublishers.com/QueeneyJWOREsearch/>.

Queeney Cameron (real name Donna) attempted to get at least one fellow YouTuber fired from his job by impersonating him on Twitter and then making dozens upon dozens of slanderous videos on YouTube to go along with her Twitter impersonation. That is a federal crime. She knows it. We know it. And we will be waiting for her. All of us who have been serially targeted, gang-stalked, bullied, slandered and harassed by this creature and her ilk. She will not be coming back. Not like before anyway.

In the meantime, our most powerful weapon against these people and their cyberbullying, virtual gang-stalking, serial harassment, racism, sexism, anti-Semitism and anti-LGBTism is **E-X-P-O-S-U-R-E**. That’s what this investigation is all about.

## Part I.

I'm going to tell you folks a little story. A story that many of you are probably familiar with in one way or another, because it is a story about cyberbullying. Yes...cyberbullying. That evilest of evils. Most of us will endure it someday, have endured it, have had children who have endured it, or are currently enduring it. I am currently enduring it, as are dozens of others. Why? Well, there are a number of reasons why people bully. The reasons range from simple jealousy to pathological obsession or even clinical psychopathy. And, of course, the factor of anonymity and non-proximity to those being bullied encourages cyberbullies to be extremely vicious in their attacks. I'm not exactly sure why the person Donna P. bullies me or others; all I know is that she does it with pathological commitment. She is literally obsessed with me, V. K. Clark, a woman named Sinead, and a handful of others. Once she fixates on a target, she gaslights that target until

1. Her target runs off YouTube.
2. Her target commits suicide or passes away from natural causes.
3. Her target fights back.

I fall under the third point above because I, along with one other person, have decided to stand up to (and expose) this cyberbully.

For those not in the know, her moniker online and on YouTube is "[Queeny Cameron](#)" ([backup](#); also "Queenie Cameron"). And she lives to troll, stalk, lie, harass, belittle, gaslight, hate, attack, mock, slander and humiliate. There are a number of people on YouTube who I have encountered personally, or who I have casually observed, who have expressed themselves similarly or exactly as I have in response to this, well, wretch. Many have pretty much given up on YouTube as a direct result of Queeny's relentless cyberabuse and trolling. Let me attempt to explain what she does and how she gets away with this on YouTube, a place where one imagines they are safe from this sort of harassment.

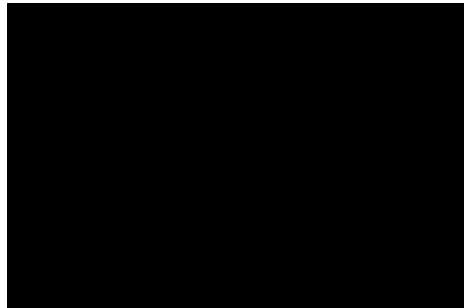

First, she fixates. What causes her to fixate? No one, including myself, really knows. Though, one gentleman has attempted to explain it through his own experiences with Donna:

URL: <https://www.youtube.com/watch?v=67WuC20YGc4>

Second, she obsesses. And when I say obsesses, I mean it. She has at least 400 videos featuring me – in one defamatory context or another – on her multiple sock puppet YouTube channels, as well as on her numerous “official” channels. Here is an example of one of her allegedly “educational” videos in which she features me without any rhyme or reason:

<https://www.youtube.com/watch?v=xZZ7y09fpwU>

She features me and other people – whose work and research she does not know, and who she does not know personally either – simply because she can. She feigns the “fair use for educational purposes”, “research” and “religious” angles in her thousands of bizarre uploads to skillfully skate under YouTube’s stringent anti-bullying, anti-harassment “Terms of Service.” YouTube is complicit in allowing her to get away with cyberbullying and virtual gas-lighting, something she (alongside her husband Chance or “KeefTwoof”) has been doing on YouTube for many years:

**TheCensoredVoice** 2 years ago

Queeny knows exactly what it is doing I call her it because sometimes I wonder if she is even human and capable of doing good. She has a band of haters that attack everyone in otherwords if you are not with her you are against her. She spews hate and attacks all. I have suspected for sometime she is a paid shill I mean how is it possible for the channels not to come down. Youtube's rules are also that you can't impersonate another channel but keeftwoof is still there never been taken down. When others have tried to impersonate them they get taken down. I mean that in itself tells me all I need to know.

Meanwhile, most complaints against her are ignored by YouTube. Most legitimate DMCA filings are dismissed by YouTube. It is, how do you say, incredible?

Case in point, YouTube dismissed the following DMCA claim of mine against Queeny:

YouTube's typical (and extremely) "lame duck" response:

"Hi Wilk Mocy,

We are very concerned that your copyright notification may not be valid for some or all of the videos identified in your notification. Please keep in mind that in many countries, it is legal to use copyrighted works in specific ways without the owner's authorization, particularly for transformative purposes such as news reporting, parody, commentary, or review.

Some countries protect such uses under doctrines of "fair use" or "fair dealing," while others allow for specific exceptions to copyright protection.

[Learn more about fair use in the United States.](#)

If you still believe your copyright is infringed by the YouTube video(s) identified in your notification, please explain in detail why you think so.

We ask that you provide more detail than was included in your initial notice. Here are questions you may wish to consider:

How much of your copyrighted work is used? How is the market for your original work affected by this use? Does this use significantly transform your original work, or does it serve the same purpose? Does this use fall into an exception to copyright protection? Please note that we may share your response with the uploader(s).

Thank you very much for your cooperation."

I responded:

***Hello YouTube.***

***This is a violation of fair use because the context in which my photo artwork and name is being used is not at all related to the content accompanying my said artwork.***

***Here is my photo artwork as seen on my business website being infringed at this timestamp in the video: <http://www.veraiconapublishers.com/wp-content/uploads/2015/01/snowy-gilbert-mindfck-altright-misogynist-pigdogs.jpg>***

*I sell my photo artwork (including this image) on Deviant Art here:  
<http://clarkvero.deviantart.com/art/Hetalia-Snowy-Gilbert-577303664>*

*Neither I, nor my business, nor my Deviant Art photo artwork is any way, shape or form affiliated with either person featured in this timestamp alongside it in this video. I have nothing whatsoever to do with transgenderism, [Stef Sanjati](#) (pictured with me to suggest an affiliation, which is 100% false), or "William Fink" (also pictured with my photo artwork to suggest affiliation).*

*This does not constitute fair use, YouTube. This is abuse of fair use to harm my business, sales, name and brand. This video maker has, in her video, created a completely false portrayal of my business and photo artwork by suggesting that it has anything whatsoever to do with the two other people featured alongside me in this timestamp.*

*This is a violation of fair use because it is neither parody nor critique/commentary. It is patently false information and slander passed off as "fair use" to harm my business. My photo artwork sales may suffer accordingly. This is not in any way "transformative" use of my photo artwork.*

*Thank you,*

*V. K. Clark*

YouTube's patently absurd final response:

*copyright@youtube.com*

*Hello,*

*Thank you for your message. However, we remain concerned that your copyright notification is not valid for some or all of the videos identified in your notification. As a result, the content will remain live on YouTube.*

*If appropriate, you may submit a complaint regarding other legal issues (including trademark and defamation).*

*Regards,*

*The YouTube Legal Support Team*

YouTube dismissed my claims proving her deliberate misuse and abuse of the 'fair use' clause and these videos remained intact. Both of these videos contained 100% defamation and slander directed at me. Unlike Donna, I am not "Christian Identity". I am not a racist. I am not anti-Semitic. I am not a "Nazi" or "neo-nazi." I am not a white nationalist. And I am not transgender. And, as you can see in my legal claim above, I am not Sinead and I have no affiliation with her "Firestarter Media" enterprise. But, you see, Donna knows this and she does not care. Not one wink. She wants her victims, such as me, to worry and agonize over clearing my name of the false claims and charges; she wants me and her other victims to agonize over salvaging our reputations and images. But, perhaps most importantly to Donna, she wants us to be financially ruined by her attacks. She means to deny us income and income potential. *This* is why she attacks my person, appearance, voice, research and books. Not because she is critiquing my work or reviewing it as a peer, but because she intends my personal and financial destruction.

I'm not alone, either. She has done this, and is still doing this, to dozens and dozens of people:

By the same token, Donna is playing her psychopath game of mental manipulation. By calling me Sinead and “a 50 year old woman,” she is attempting to coax me into uploading a video of myself and revealing to her my real age. That I will never do. I and Donna’s other victims owe her absolutely ZERO. And this is what her current and future victims have got to understand. These four words: Do. Not. Do. It. Whatever she wants you, as her victim to do, do not. Do not answer her. Do not respond to her. Do not indulge her. Just ignore her. That is her worst nightmare...being completely ignored.

Let’s move on.

Third, she creates illusions and false affiliations between and among her targets. For example, she continues to assert, and authoritatively “in her opinion,” that I am the same person as Sinead McCarthy – a patently absurd claim. The strangest aspect of these false associations and relationships, however, is not the claims themselves but Donna’s intention behind said claims. My interpretation of her behavior, which is informed by the PhD courses I took in my Organizational Psychology program, is that she wants

her victims to prove themselves to her. She imagines herself as some sort of authority over the lives of those she obsesses on. She tries very hard to get her victims to show themselves in their video uploads, for example, whereupon she viciously tears apart their appearance. How does she get her victims to reveal themselves? By badgering them endlessly with enticements. For example, she demands that her victim Sinead show her toddler son in a video to “prove” to Donna that her son is white. (Donna is a racist, by the way, but we won’t get into that just yet.) But why does Sinead owe Donna this? She owes her nothing. Ahh...but this is the “way” of the psychopath. They insist that their victims bow to their will by means of manipulation, harassment, threats, and other such “tools” of the psychopath’s trade.

Now, I am not saying that Donna is a clinically diagnosed psychopath. While she certainly behaves like one, this does not mean that she is one (for sure). However, from what I have experienced and observed, I feel confident in claiming that she is either a sociopath or a psychopath. She also seems to exhibit one or more personality disorders, an unfortunate thing for an otherwise healthy and enjoyable YouTube community.

Fourth, she relentlessly trolls her victims all over YouTube and on her websites *queencycameron.com* and *exposingonsofcain.com*. Her husband, parading under the monikers “KeefTwoof” and “GeoffiePoo,” joins in on the trolling, stalking and harassment. At any rate, the first website consists of defamatory, libelous, hateful, racist, harassing and mocking memes and collages – created by her and her husband – of her dozens and dozens of victims. The second website is dedicated solely to bashing Jewish people as the “Seedline of Satan.” She gets away with her anti-Semitism by feigning the religious research angle, referring to the Jews as “Kenites” and “the children of Cain.” But adding to the oddity, everyone and anyone she fixates on is a “Satanic Jew”. She has called me “Jew,” “Jewish skank” and “Kenite” countless times over the years (among other things). If my memory serves me correctly, she has been obsessing on me since 2013/14, though it could have started even earlier. I have not kept tabs.

What makes Donna’s anti-Semitism and defamation particularly problematic on YouTube, is that she sometimes (or perhaps oftentimes) *pretends* to be Jewish. For instance, she assumed the identity “Ezekial Goldbergstein” and attempted to assimilate into various “white nationalist” comment sections with this moniker. (This video is presented near the end of our story here.) This is, of course, a mockery of the Jewish surname “Goldberg”. She thinks this is funny. What her motive is for doing this is unknown to me, but “white nationalists” do this to mock and troll Jewish channels and comment sections. They will pick a moniker such as “Yahweh Shekelshoah” and spew anti-Semitic commentary with said moniker. Donna has been seen playing the role of “pro-Jewish” and “anti-Jewish,” depending on which moniker she is operating under. Given that she has an estimated 200 “sock puppet” accounts, which are listed at the end of our story, it’s difficult to keep up with her modus operandi. I have done the best I could for the sake of this exposé. Here’s my take on it.

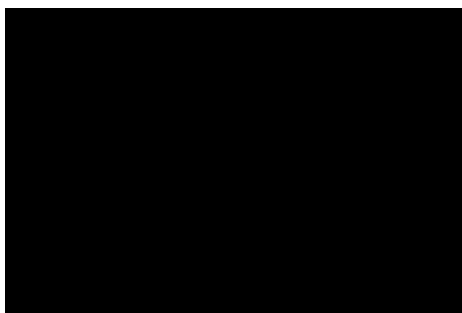

I think that Donna is dangerous to the Jewish community on YouTube for the very reason that she pretends to be Jewish. Who knows what all she says and does “in the name of the Jews” to stir up hatred and backlash against them on YouTube:

She is likewise dangerous to the “white nationalist” community, since they might imagine that she is one of them with such a nasty moniker. Perhaps she incites hatred against Jewish people under both pro- and anti-Jewish videos on YouTube with monikers like this. The evidence you will encounter shortly, in the form of screen capture images, suggests as much. Perhaps she is angering “white nationalists” more than they would be angered by parading around under Jewish monikers, serially harassing, mocking, trolling and baiting these white nationalists. Many, many “white nationalists” and “neo-nazis” on YouTube believe that Donna and her husband are Jewish, and that they work for the JDL or ADL:

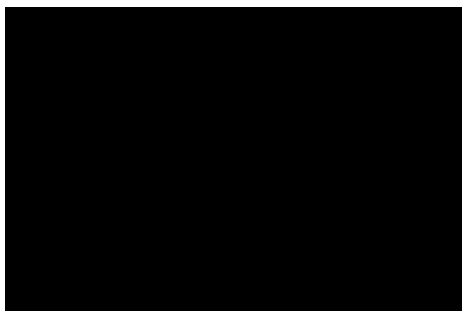

### Donna claims to work for the JDL?

[https://www.youtube.com/watch?v=QHYUVV\\_p7Gs](https://www.youtube.com/watch?v=QHYUVV_p7Gs)

**Donna is accused of being Jewish by a “white nationalist” channel:**

<https://www.youtube.com/watch?v=y pbNmLb7lck>

If all of this is untrue, then it puts both the JDL and ADL in a bad light and may cause and/or increase backlash against both organizations, as well as hatred for both – i.e., among “white nationalist” extremists. In this respect, what Donna is doing is harmful, and potentially dangerous, to Jewish organizations, people and interests. This should not be tolerated by YouTube, a company which partnered up with the ADL to curb this very thing!

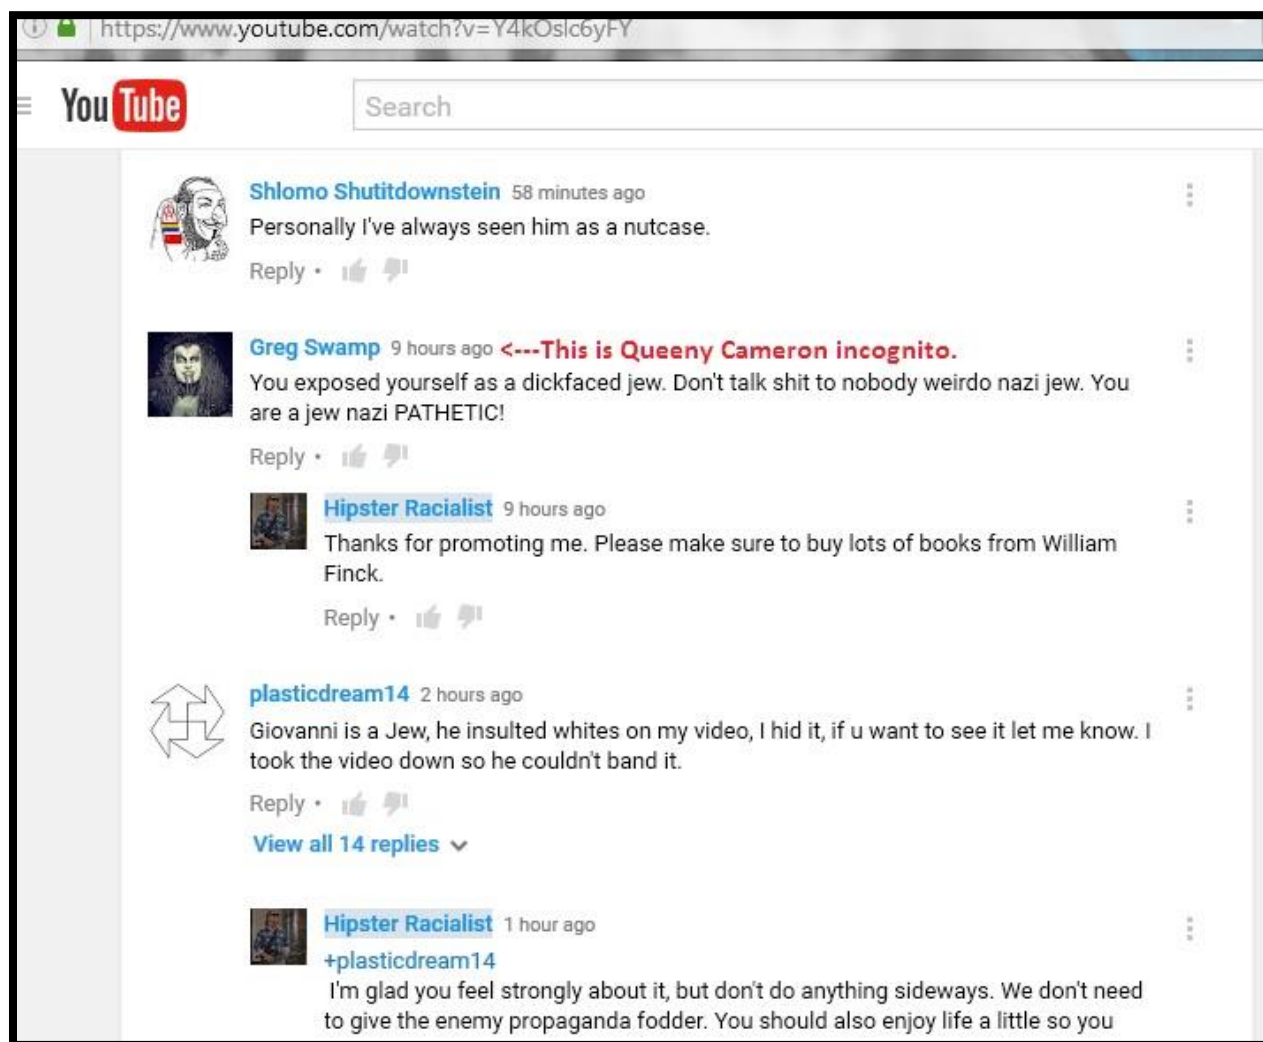

In a [2008 ADL Press release](#) we read:

*YouTube has reached out to the Anti-Defamation League (ADL) for its expertise in dealing with hate on the Internet. In one outgrowth of that partnership, the League is now a contributor to YouTube's newly launched Abuse & Safety Center, where users are empowered to identify and confront hate, and to report abuses.*

The YouTube Abuse & Safety Center features information and links to resources developed by ADL to help Internet users respond to and report offensive material and extremist content that violates YouTube's Community Guidelines on hate speech.

"YouTube is an incredible tool for sharing videos and giving individuals an opportunity to broadcast themselves, but like other social networking sites it can be abused or used for sinister and dangerous purposes," said Abraham H. Foxman, ADL National Director. "There are those who may try to exploit the technology to spread racism, anti-Semitism and other forms of hate."

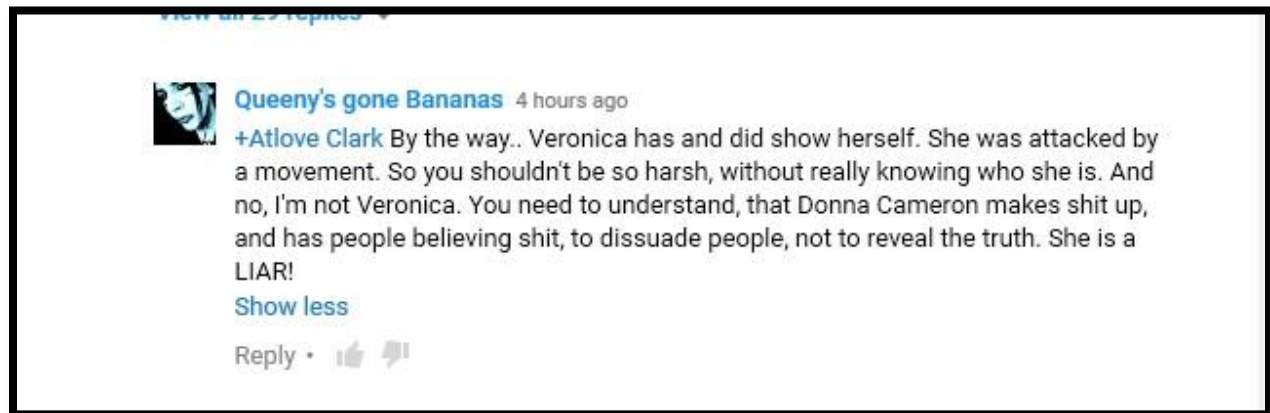

There is one other serious problem with what Donna is doing here. By calling everyone and anyone Jewish or "a Jew," she is diminishing the problem of genuine anti-Semitic bullying. When people like Donna do this sort of thing, real victims are not taken seriously...because, well, "everyone is a Jew". Do we see the problem with this?:

Donna's actions discredit real Jewish victims and real anti-Semitism. It is disgusting what she is doing. She calls every real and imaginary "white nationalist" a "Jew," "Kike," or "Kenite," thereby diminishing real anti-Semitic incidents on YouTube. It is not fair to anyone to do this. She needs to be exposed and stopped, by both Jewish and non-Jewish people. She has even done this to me. I am neither Jewish nor a "white nationalist". But Donna is not interested in truth and accuracy...only lies:

Yet, she continues to comment to me, or about me, under her moniker "Greg Swamp".

However, since my exposure of her anti-Semitism and racism on YouTube, she has now switched from calling me "Jew" and "Kike" to calling me "Nazi", suggesting that I am racist, another patent lie:

**Here is Donna accidentally revealing herself to me, V. K. Clark, as she screams that I am "Jewish". :D**

The question must now be asked by more than just me: why is YouTube allowing Donna to get away with what she has, and for so many years? It is outrageous that both her covert ("Kenite") and overt ("Kike") anti-Semitism has been and remains unchecked by YouTube, as well as her anti-Black racism:

Kemp states that the Aryans originated in Europe, but that is IMPOSSIBLE, because of the origins of language. It's obvious that the European and Indo-European languages are traced to Sanskrit!

Fifth, she threatens to sue or humiliate anyone who stands up to her or dissociates from her. Friends suddenly become “evil Jews” and her non-conciliatory victims are threatened with lawsuits and financial ruin. Donna recently did this to Evangelist Anita Fuentes and now she is threatening to do it to me. I’m not sure about other victims of hers, but I’m sure more on her “hit list”:

Sixth and finally, her victims either remain on YouTube, trying to ignore her (usually in vain) and deal with her continued trolling and abuse, or they abandon the YouTube platform. Some even abandon their research altogether, just to get away from the anguish she causes them.

Sorry is the person who is victimized by Queeny Cameron. And sorry is YouTube and her web host WEEBLY for allowing her a virtual outlet and platform from which to spew her libel, defamation, false associations, racism, white ("Adamic") supremacy, and anti-Jewish hate speech.

The following is a collection of memes and screen captures documenting Donna's victimization of me and many, many others on YouTube and on her two WEEBLY hosted websites:

If the chick Shanead O'conner wants to spread messages that are radical and hateful, instead of being allowed to sing about her own family members, she shouldn't recruit young girls to do her bidding.

This gal has too much time on her hands, and needs to marry and have some children, so that she will cease meddling in the affairs of men. I love how this feminist runs around, begging mainly men (military history is a male oriented genre) for donations to pay off her student loan. One would think that an empowered feminist would be ashamed to ask men for help in any matter, whatsoever. However, feminism is the most slavish ideology out there, for it deludes women into believing that they're equal to men in all matters, yet women need the state to enforce this religion onto men, for it's the police and military, still made of mostly the male gender that enforces femininity (my coined term) onto the male population as a whole. Thus, instead of being wed to one man to take care of her student loan and other financial issues, VK Clark instead prefers to be married to the state and to many men - polygamy is what it is. These cucks that are helping this feminist pay off her debts are emasculated men who are in a state of transition; they will soon metamorphose into females while VK completes her metamorphosis into a man. And there we have it: we're right back at square one, as it was in the beginning. Hahahahaha

So, keep your money in your pockets, because I'm sure you have your own family who might need your help someday. Don't be stupid with your hard earned money. REMEMBER: the rich get richer and the poor get poorer, so don't fall for their stupid stories about "BEING BROKE", because these people are FAR FROM BEING BROKE. VK always claims she's sad and broke. "Poor but RICH". This woman is a huge money making machine, involved in selling everything you can think of. She has been working the internet for many years, and uses several voices; She is a master of disguise (reference GOYIM GODDESS).

WTF! What is a "brizi?" This thing is weird, whatever it is. It claims to be asexual, as if that's possible, seeing as the sexual organs function autonomically. Does this creature lack the sexual organs because of some birth defect or because of artificial surgical methods? We may never know. It seems, however, that Kuzniar's alter ego or persona is a facade. As we see with Sinead and her Goyim Goddess account (among many others), we see that McCarthy can change her voice and sound like various music artists, such as Gaga, Rihanna, Katy Perry, etc. I believe that Weronika and Sinead are role players and possibly the one and same person. These feminists obviously have some kind of post male androgyne agenda, and the seeds of chaos that have been sown amongst the beta males in the WN movement can be spotted in the rotten fruit that has come as a result.

I was on the thread of Ryan Dawson and he claims he's Indian.. His nose says he's a different race. It's interesting how these different races always profit off of the whites., and they try and pass themselves off as white. when it's plain as day that they're not white. They might have light colored ski, but saying they're white is like saying an African is white, and it's not possible. So, I don't know why they are trying to convince people they are Caucasian, other than wanting to make money off of white and agendas, like "Nationalism". The whites are always going to live on anyway. Their numbers might get a little bit on the minority side, but, they won't totally become extinct.

The peculiar trait of that tyranny is that it will be enacted from the left rather than the right and it will be red rather than white in color." – Leon Trotsky real name Lev Bronstein  
BENJAMIN FRANKLIN ON THE JEWS

"There is a great danger for the United States of America, this great danger is the Jew. Gentlemen, in every land which the Jews have settled, they have depressed the normal level and lowered the degree of commercial honesty. They have remained apart and unassimilated – they have created a state within a state, and when they are opposed they attempt to strangle the nation financially as in the case of Portugal and Spain. For more than 1700 years, they have lamented their sorrowful fate – namely, that they were driven out of their motherland, but gentlemen, if the civilized world today should give them back

will stream into this country in such numbers they will rule and destroy us and change our form of Government for which we Americans shed our blood and sacrificed life, property and personal freedom. If the Jews are not excluded, within 200 years our children will be working in the fields to feed the Jews while they remain in the Counting House gleefully rubbing their hands. "I warn you, gentlemen, if you do not exclude the Jews forever, your children's children will curse you in your graves. Their ideas are not those of Americans even when they have lived among us for ten generations. The leopard cannot change its spots. The Jews are a danger to this land and if they are allowed to enter they will imperil our institutions – they should be excluded by the Constitution."

Yup, they are actually praised in Jeremiah 35 for their devotion to their origins.. Tsk tsk tsk.. The enemies are those who CAN criticize, and it's not hard to figure out that it's "Weronica Clark, aka Sinaed MaCarthy, and her boy toy William Finck; But, let's not forget about David Duke, and all the little minions there in between and down the hill.

Woo hoo! This character is very strange. It wears Nazi uniforms in its videos, or so it appears. Who is the old woman in the videos, anyway? Or is it an old man? I cannot tell. Anyway, I can't take this person's WW2 conspiracy theories and amateur revisionism seriously, for the books are too expensive for one, and the themes of the works are too vague and eccentric. There is a reason why her books aren't on the New York Times list, or why she hasn't won a Pulitzer prize.

Also, it is odd that Clark, or whatever she calls herself these days, mentioned how Finck contacted her and asked her about some research she had done. Odd, indeed. Perhaps Finck used her material for his Mein Kampf project. What is even stranger is that Evalion is a member of Christogenea.org and has some troll named Hipster Racist shilling for her. It's sad that these so called men need women to lead them and their bowel movements (as Martin Lindstedt would call them), and, what more, that they feel the need to hide their identities while hiding behind these naive and gullible cam girls. hahahaha

"It". Hahahahaha! I've seen the recent images it uses on it's covers of it's books and there's so much makeup on it's face that there's no telling WTF it is. But it certainly does NOT look like the image it uses while filing false DMCA claims against so many people that it's hard to keep up with all of them. Yeah, "Wero" claimed that William THE RAT Finck pseudo Federal criminal is using her information as well as "Vero" claiming that Angelo John Gage was schooled by her.. Hahahahahaahahaha! There are several websites on this chich (that she designed and manages herself) as the "controlled) play goes, and big boy daddy warbucks I am the next Hitler likes to lend a helping hand.. When Firestarter Media, aka ABSIT first activated her channel, she was advertising for "Blindlite", but she thinks people don't notice her bad intentions. NO DOUBT in my mind that Sinaed MaCarthy is playing several roles on the internet. MORE ROLES... MORE MONEY! Wooo Hoo!

Emma Goldman

VK Clark got her start by posing as "Emma Goldman", (a hard core feminist), A "want to be" character, who **IN MY OPINION also uses the name "KAT RUBY" in Christian Identity circles.**

VK Clark, aka "Emma Goldmann" worked with 2 elderly women named "THE PATRIOT DAMES".

She has several examples of crime on her channel, to include uploading on this guy here, and posting his personal information, calling him "white trash" and saying that his wife is 500 pounds in an upload response which she has right on her thread. She is also Doxxing others and even if she wanted to get rid of the information, screen shots have been taken. She is working with a criminal William Finck who she is selling merchandise with, that she calls "revised history", and Veronica Clark is about to get an eye opening experience. Atlove Clark can no doubt get punitive damages if he wanted. Veronica Clark is being featured on Amazon which is a reputable organization and they have been notified of her illegal activities.

The Aryan speakers (Pahlavi & Sanskrit) called them "mellechas" but at that time ARYA meant "one of good conduct" as later it wasn't even a racial designation rather the name for speakers of Sanskrit. If you claim that ASHKENAZI is not the same word as OXUS and etc, you should be able to give me an etymology.

What I noticed in your DMX vid is that you were hanging around the public library with a bunch of niggers that accepted you as one of them, which tells me that you're some kind of Eminem character that lives in a black neighborhood. Also, you were acting and talking like a nigger, keeping it real, and that's why your dawgs didn't fuck you up. You must have deep roots in the nigger neighborhood that you live in.

There are so many things wrong with your profile pic - I don't even know where to start. Yeah, Hitler could have made a deal with Poland, instead of regarding them as inferior Slavs, and the German minorities could have left Poland and dwelt in Germany. But Hitler used the German minority in Poland as a pretext to annex Poland's territory for his lebensraum.

Soviet troops planned to invade Europe, so Hitler invaded Europe first and this is somehow okay with you boys. Great logic! The German "pre-emptive attack" led to the destruction of Europe's civilization and strengthened communism.

The character image of this "Veronica" is obviously not the voice, but sounds like Sinead "Goyim Godlesssss". There is a family resemblance, so, it's either a brother or a cousin. The subliminal of the "dress up Nazi with a platinum hair" look is to "Anime", which goes along the lines of what Andre Anglin is also doing, if you've seen his pictures. It looks like these people are using a lot of subliminals. But, doxxing is illegal.

It's a lot harder for people like Sinaed to flag videos legally because Youtube used to be unable to see how much of a video is being utilized. This dude (because that image looks like a guy and I don't care what this person is, but) "Clark" illegally claims that an entire video belongs to her (at least that's what the other guy said), and that's how she gets people's video's taken down. She stakes a claim on stuff that she has no legal rights to. You notice that William Finck is another who likes to control everyone's stuff. Recently he took control of "Evalion" uploads. A "Christian" identity "pastor" no less. A sad group of people in this movement. Just money grubbing people. GREED is what drives them.

So, keep your money in your pockets, because I'm sure you have your own family who might need your help someday. Don't be stupid with your hard earned money. REMEMBER: the rich get richer and the poor get poorer, so don't fall for their stupid stories about "BEING BROKE", because these people are FAR FROM BEING BROKE. VK always claims she's sad and broke. "Poor but RICH". This woman is a huge money making machine, involved in selling everything you can think of.  +I am The Next Hitler You're a big shill working with Sinaed aka Veronica.. You work for the government in my opinion, HUGE SHILL, whoring people to your pathetic SPIDERWEB sites . You whore yourself, you whore VK Clark, aka Sinaed Mccarthy and you whore your old ugly ass self.. GROSS. You shills are pretty funny.. You claimed that Molly Crabapple was "100% European" and are using her pictures to work your sites. She is tied to Shaun King which ties her to Black Lives Matter. So, what the hell are you up to, old man? I'll tell you what it is.... SHIT is what it is.. But, you are just a little piece of shit in a cesspool of shills and insignificant, anyway. When you croak, NO ONE will ever remember your old ass. **BLOTTED OUT.**

 lol, all I did was say something nice about Michele! So Sinead is Clark, you are too funny and I asked you to prove the claim you just made concerning Molly five days ago, but since you can't you pretend I didn't ask. It's Saturday, don't drive today I do have to ask, what is it with Jews and potty mouth. Both you and Sinead have it in spades

 Micheal Aquino was not pointed out by God at all. Acts 20:29 spells it out VERY PLAINLY.. Aquino is not "AMONG THE FLOCK", so why are you leading people to him? Neither was Helena Blavatsky. So, why do you point at those who were and are CLEARLY NOT "AMONG THE FLOCK"?.. But, YOU'RE among the flock, ey Tomasino? And YOU fit the description of the warning ABOUT the TARE who are "AMONG" the flock. You protecting the Tare, Tomasino? Or are you one yourself? Useless Eater, or Useful Idiot? BOTH?

I am not an attorney, but when starting a legal process against several people who are involved in what appears to be a conspiracy, your attorney will hire an investigator, or a team of investigators to research claims. This process will take a while; Electronic subpoena's will have to be submitted to Google. This person works directly with William Finck the murderer, I'd be really careful if I were you; There's a murder on the loose.

VK Clark is running out of images to use. I see that she has a string of books for sale on Amazon. But I'll take the advice of the Cultured-Thug. "Clark" has a few "Go Fund Me" links all over the internet, claiming she graduated college in "2009" and has a huge bill (\$20,000.00) expects people to pay it, even though no one has ever seen her, except for the many images she's using. She even used an image of Nicole Kidman look alike and claims it's her. [http://en.metapedia.org/wiki/Veronica\\_Clark](http://en.metapedia.org/wiki/Veronica_Clark)

"Veronica Kuzniar Clark (born c. 1966) is an American writer and personality in the alternative media, known for writing about the Greater German Reich, National Socialism and World War II revisionism. Clark is a prolific writer having authored a stream of books in quick succession from 2009 onwards; most notably the Warwolves of the Iron Cross series with Wilfried Heink of the Inconvenient History blog on CODOH.[1] Clark coined humorous phrases such as "Brizi" and "Jewzi" to describe the Allied forces in her works. She has not been universally embraced however and has been accused by critics of promoting multiracialism (something she denies and claims not to be promoting miscegenation, but de-bunking a false portrait of the Reich). The split is roughly between Truthers/anti-Zionists and white nationalists/Nordicists. She has had a notable feud with Carolyn Yeager, but on the other hand has often featured on the radio shows of Deanna Spingola of Spingola Speaks and Mark Glenn of The Ugly Truth."

Everyone knows that site is owned by Alex Linder. The people who have put this character out here are not good people. I have watched Weronika's latest uploads. Firestarter Media practically abandoned her channel, and OOPS, VK Clark starts a new channel.. This woman thinks that people do not notice who she is and what her and her curly haired Kyle the Cuck are doing.

In the following article link, these organizations claimed "Veronica" was "introduced", "On December 16, 2006", at, "the Phoenix unit of National Vanguard", and claimed that a "DVD of the program will be available. Check out [www.natvanaz.com](http://www.natvanaz.com) for more information." does not provide any such information. The story (it seems) is also highly questionable. Essays on therapeutic modalities, addictions, sleep, rape, hypnosis, psychological disorders, autism, discrimination, warfare, and much, much more can be found in this unique series.

Readers will come away from my books with a well-rounded knowledge of psychology. They will also gain a better understanding of Organizational Psychology in foundations, its usefulness, and its future.

About the Author

Weronika Kuzniar specializes in World War II and military history. She has been called "one of the best historians of World War Two" by readers and fans.

She earned her bachelor's degree with High Honors in Liberal Studies with Global Political Science in 2005 and her master's degree with Honors in Military History in 2009.

Miss Kuzniar founded Wilk Mocy Publishers (formerly Vera Icons Publishers) in 2011. She is the originator of both the "Warriors of the Iron Cross" (Wierownicy) and "Powerwall Publications" series as well as the author of the very popular book "Black Nazis" (the third edition of which is now available).

## Part II.

# Queeney Cameron's Co-Opting of the "Joker World Order" Troll Network

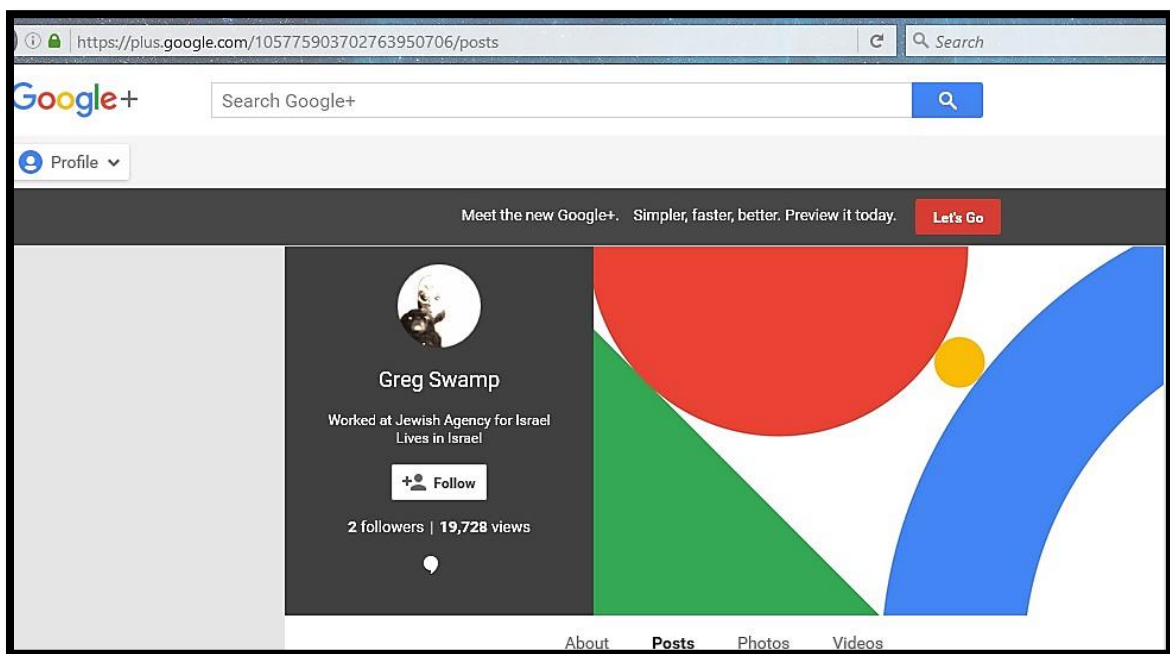

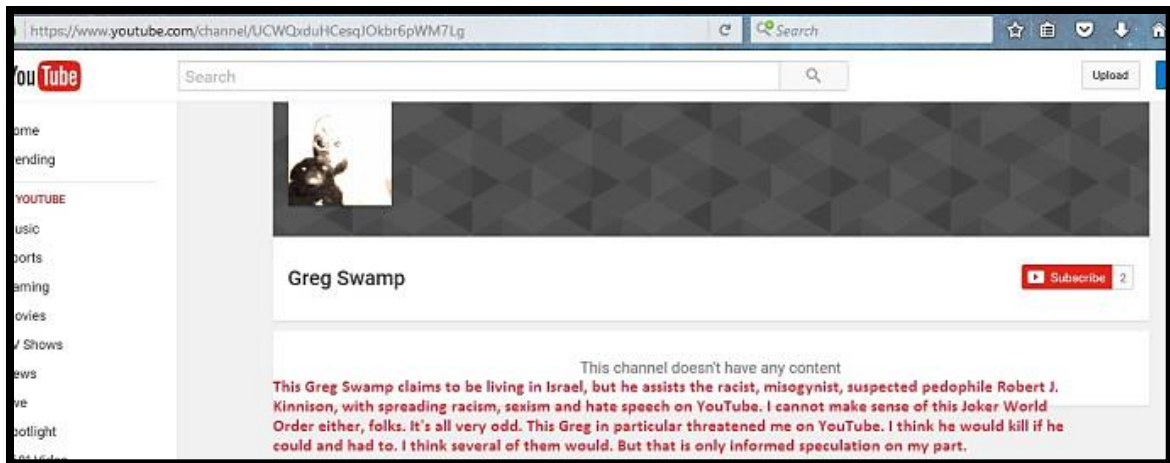

The Joker World Order (JWO) is a trolling operation which transcends many online platforms, and which only *appears* to be partial or friendly to Jewish people. In fact, they are harming Jewish people and interests; when they are exposed (as in my videos) as and for what they *really* are, they balk and flail about. Indeed, when an official and respectable organization (like the ADL) was allowed insight into their activities via the reporting of Queeney Cameron, they went berserk. Let this be a lesson to all those who would allow themselves to be used and abused by Donna "Queeney Cameron" alias "Talisman Metaphor". She is a criminal and an apparent psychopath/sociopath. She is not normal or healthy of mind. Do not forget it. At any rate, it looks like they try to keep their activities, intimidation, bullying and threats under the radar. So, Queeney voluntarily went bust or was forced off YT to protect the entire JWO network/operation from being exposed and removed from YT. Raging Rob claims to have removed Donna from YouTube himself – for calling him "a skinhead nazi" – but I think the ADL removed her (and rightly so) in one way or another. Her record of cyberbullying and serial harassment is unparalleled by anything ever witnessed on YT. The Jokers just got in there to falsely claim "victory" or "glory" for her downfall. They are suckers, the lot of them. Suckers for a cyberwitch.

### *My Original Assessment/Thoughts*

In any case, this is why Robert Kinnison ("Raging Rob"), a notorious racist with anti-Semitic, white supremacist and misogynist inclinations and beliefs, showed up *out of nowhere* claiming to be the KISS Greg Swamp. He attempted to (and perhaps did) "save" his network by "white knight" for Queeney Cameron and taking the fall as KISS Swamp (which he is not and admitted he is not). It also explains why the JWO as a whole threatened me *in particular* and kept trying to "buy me off" (especially Rob). My videos are either spot on or close to spot on. Maybe this network put its [little 'JWO threat' video](#) back up (as it was gone for a while) because I reposted my videos on my website. Unfortunately, Queeney and/or Keefy are still on YouTube incognito, and they may resurrect their main accounts since they were removed by the ADL. More on this development later.

This Greg Swamp (below), claiming to live in Israel, threatened me off YouTube shortly after Donna's removal. Here's the proof: <https://www.facebook.com/NeorevisionistClark/videos/294183890936277/>

I suspect this is Queeney. Her account:

## Threats, Hate Speech and Intimidation by the "Greg Swamps" & Other Suspected JWO Co-Ops & Queeny Pals (e.g. "ra christ"):

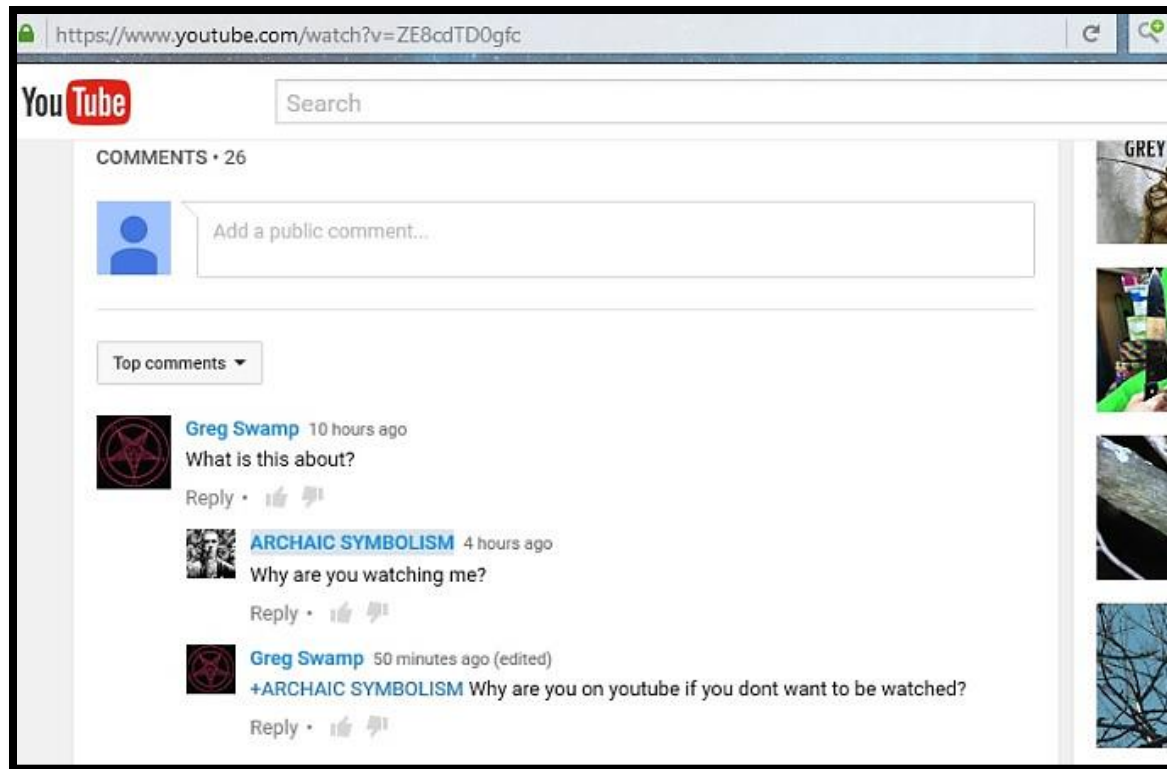

Calling YouTuber "Archaic Symbolism" (A.S.) a "shemite kike", using the N-word, and threatening him over "race mixing". "[Ra Christ](#)" here is connected to "[Auld Kendal](#)", "[Draco/Bananas](#)", and [Queeny](#):

The Greg Swamp account below belongs to Queeny Cameron (they all do), but for a while it appeared to be "hijacked" by one of the most notorious trolls on the Internet, Robert Kinnison (alias "Raging Rob"). It is used to intimidate, harass, stalk and bully various people on YouTube who have exposed and reported Queeny Cameron and KeefTwoof for impersonation (a federal crime) and racist/anti-Semitic hate speech (YouTube TOS violations), among other wretched things:

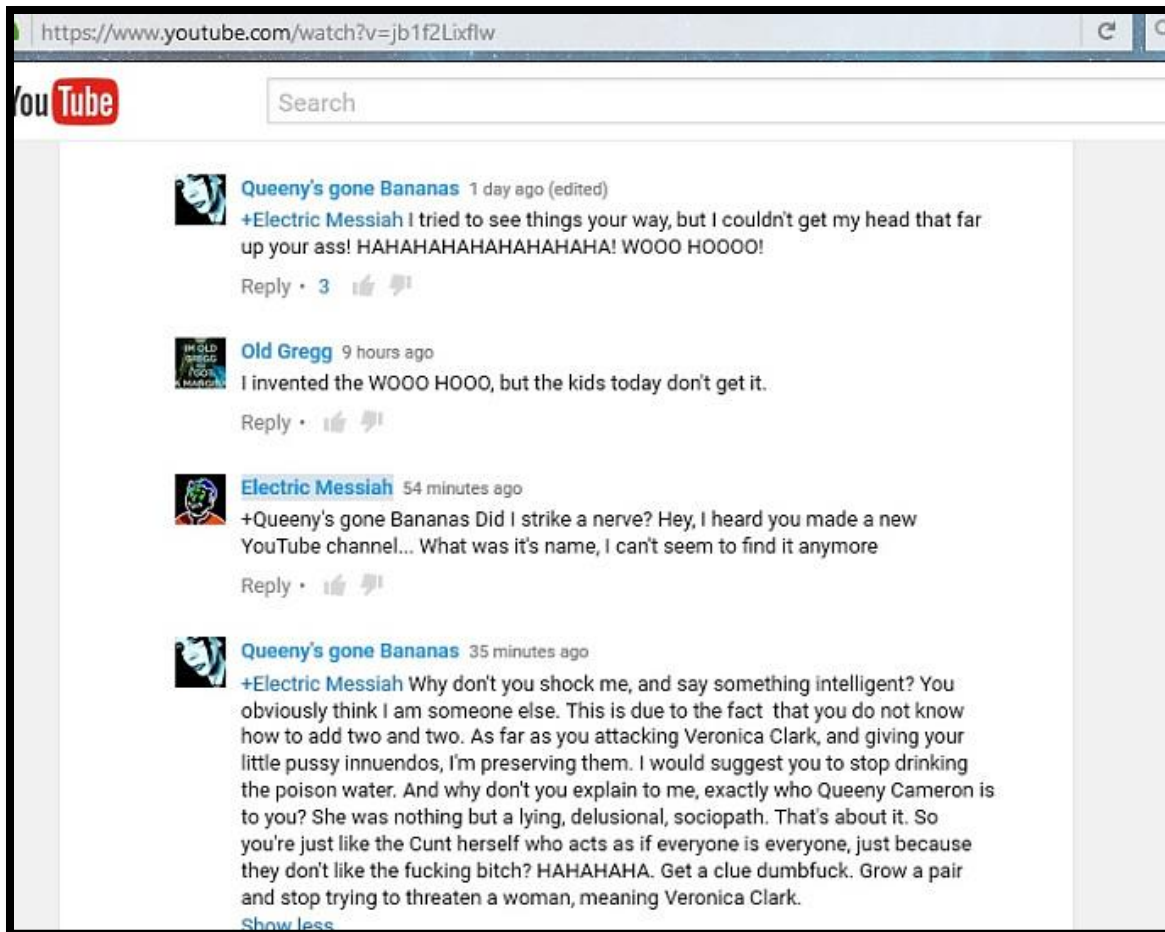

Greg Swamp stalking and threatening YouTuber Archaic Symbolism (8/15/16):

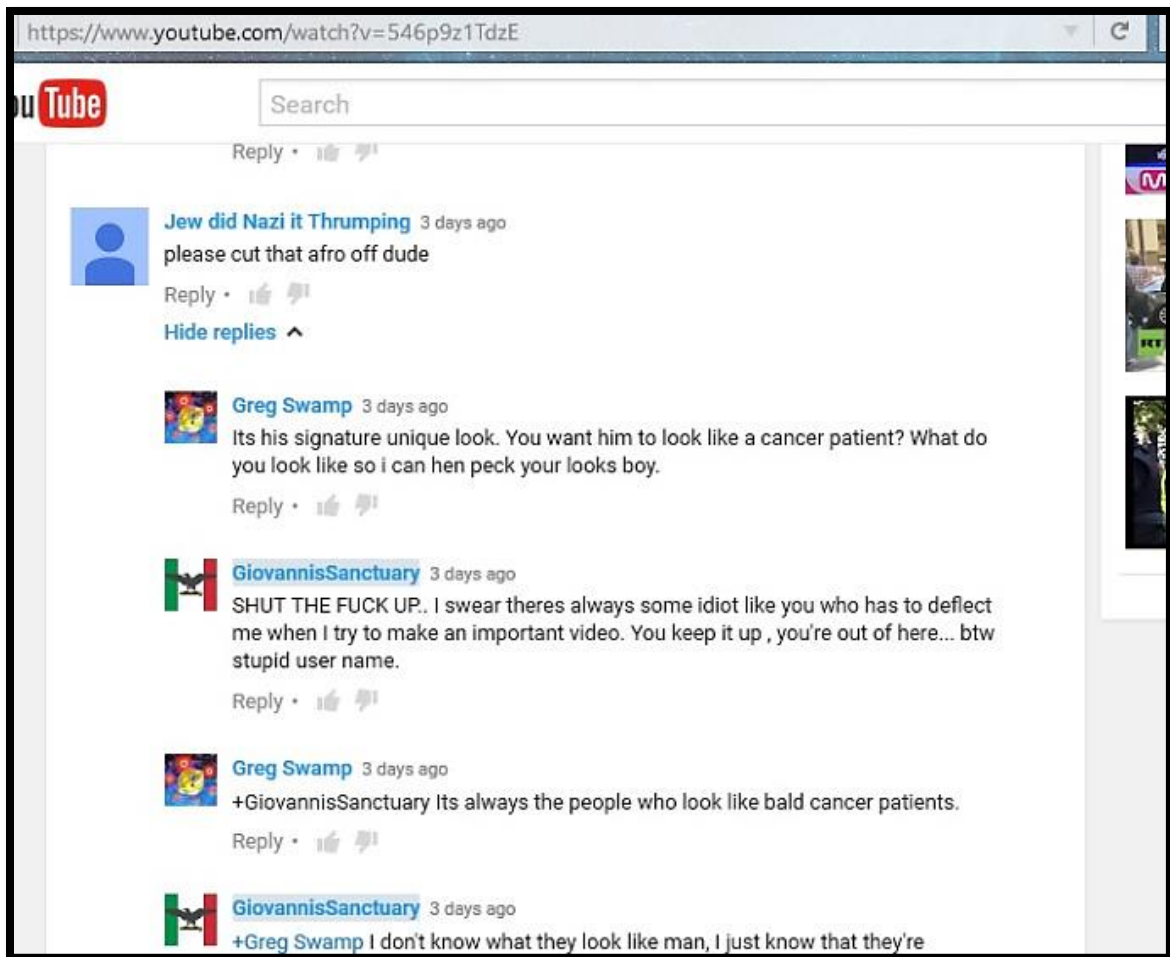

The “Electric Messiah” (who falsely claimed to be Greg Swamp in the flesh) joking about removing my most recent YouTube channel (I created the channel on the evening of 8/14/16 and it was gone by the following afternoon):

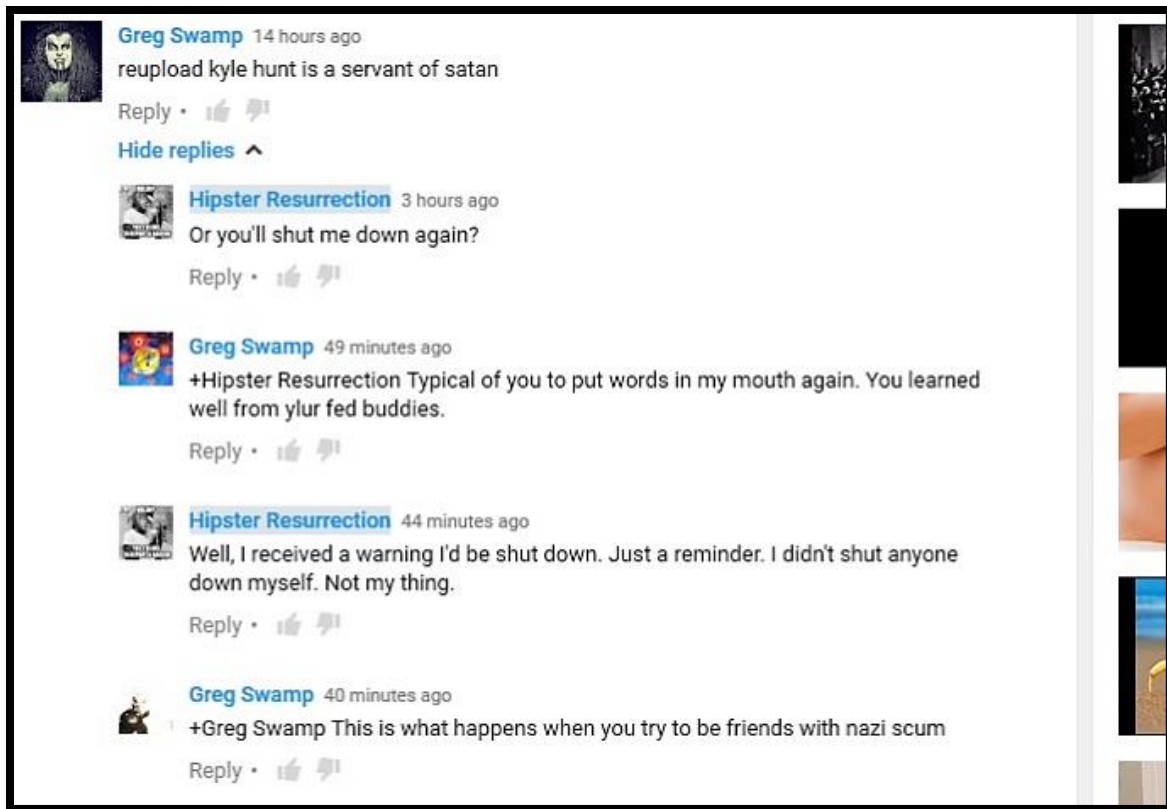

Greg Swamp calling a black woman "Ape":

More intimidation and bullying by several Greg Swamps:

Notice how the last Greg Swamp above calls this YouTuber “nazi scum” whilst [Queeny Cameron herself](#), [Raging Rob](#), many members of the JWO, and the KISS avatar Greg Swamp consistently engage in virulent anti-Semitic and racist hate speech? Who are these JWO trolls kidding? A person named “Lather Land” has in fact accused Mr. Kinnison of being [a racist and white supremacist of the “Old South” bent](#) in his many videos dedicated to exposing Raging Rob. I have all of that information in the following videos:

<https://www.facebook.com/NeorevisionistClark/videos/291530381201628/>

<https://www.facebook.com/NeorevisionistClark/videos/292576904430309/>

This “Joker World Order” troll network has threatened me several times over my videos and ongoing investigation of their suspected top level operative Queeny Cameron:

<https://www.youtube.com/watch?v=l74yDFglD3M>

[Raging Rob of the JWO](#) slanders and threatens me overtly:

<http://veraiconapublishers.com/QueenyJWOResearch/raging-rob-poses-as-greg-swamp-for-queeny-cameron-slanders-veronica-clark.mp4>

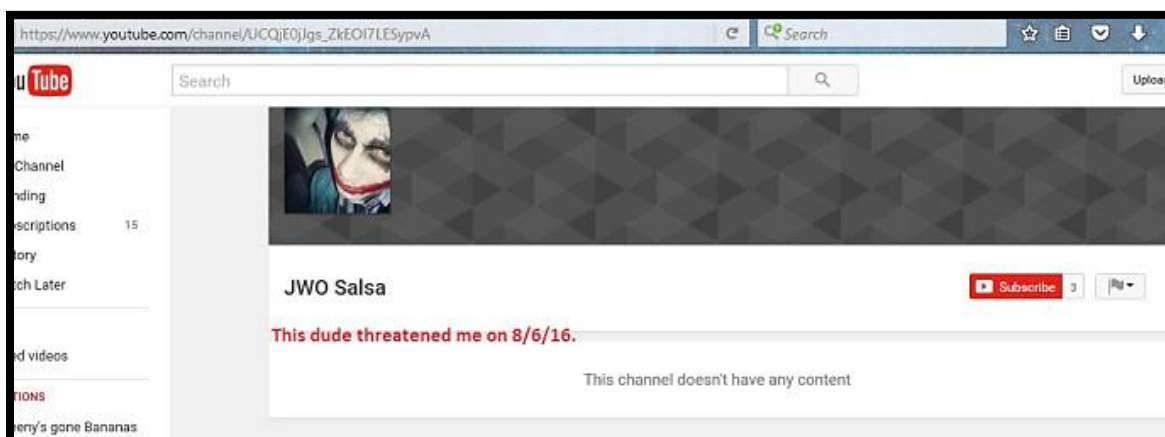

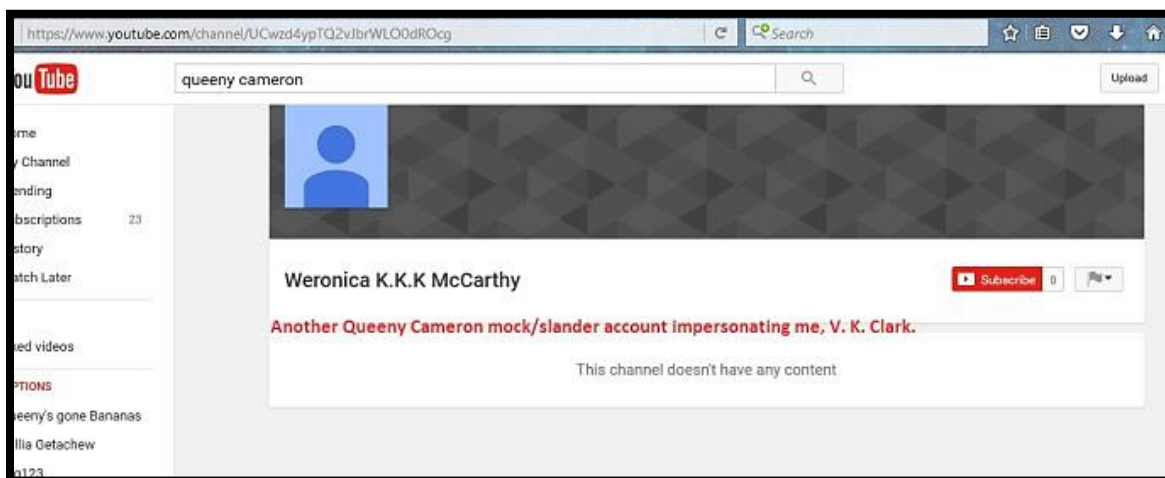

Raging Rob chimp out on me and gets very nasty:

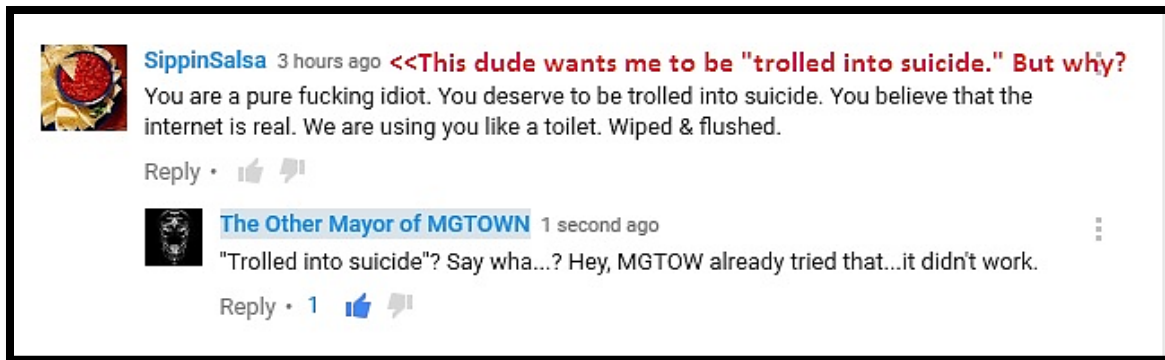

<http://veraiconapublishers.com/QueeneyJWOResearch/raging-rob-exposed-2.mp4>

Raging Rob's shout out to Queeny Cameron (a video which he *refuses* to remove even though Queeny is a vicious "Christian Identity" racist, an anti-Semite, a serial stalker and slanderer, and a cyberbully):

**This is Queeny Cameron undercover. lol.**

This channel doesn't have any content

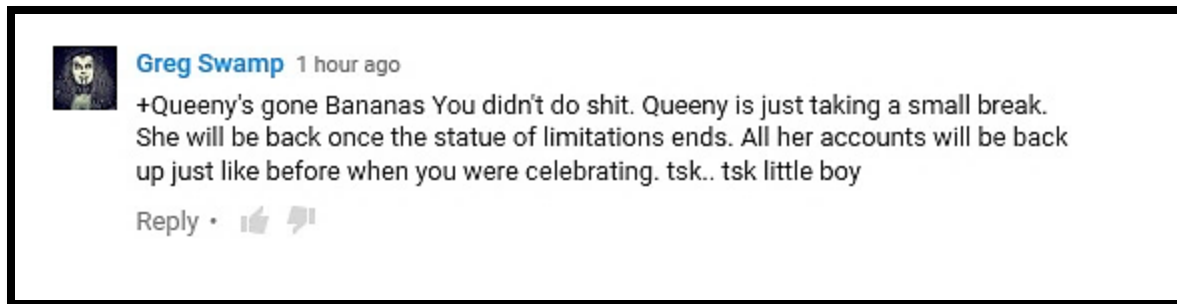

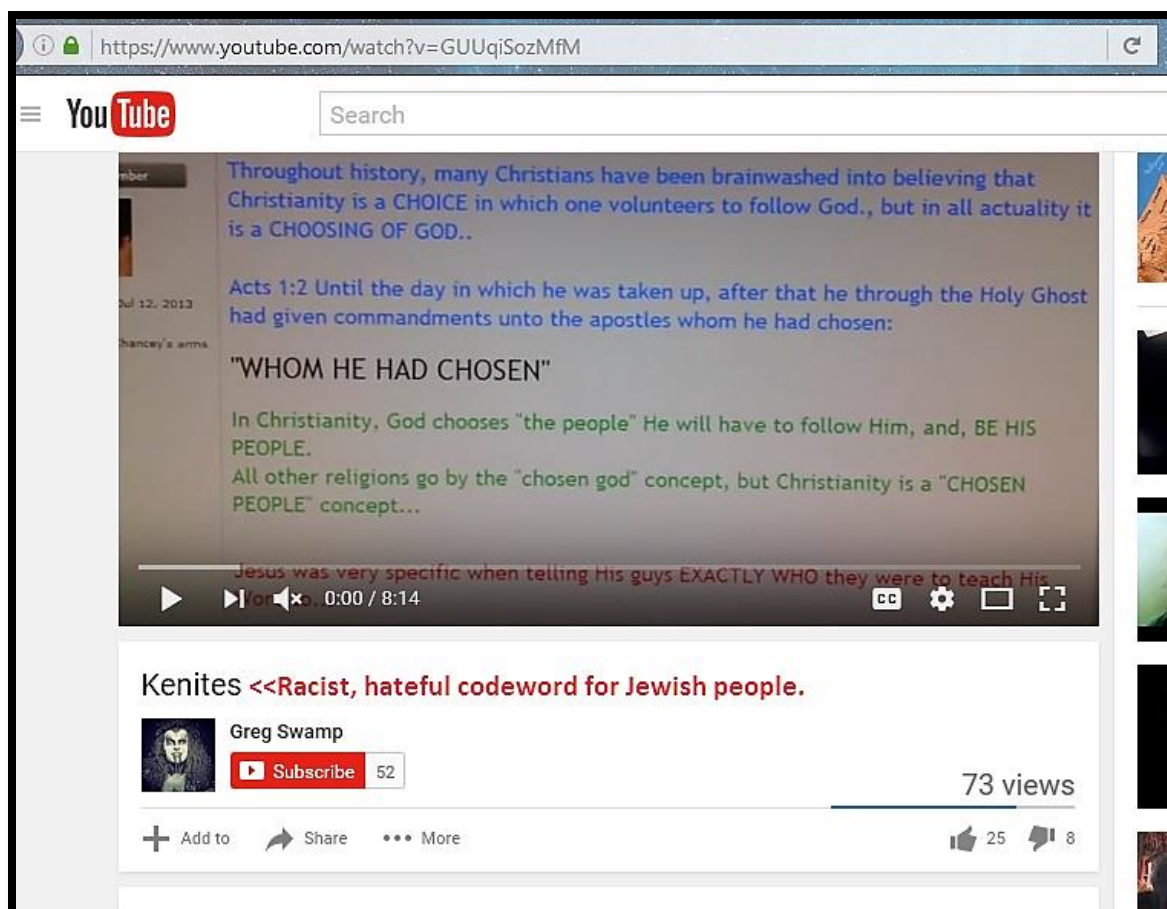

My assessment of this Queeny Cameron/KeefTwoof and JWO situation thus far:

The Greg Swamp with the all seeing eye is Queeny Cameron, as is the KISS Greg Swamp. She and Raging Rob are fooling no one. These *other* Greg Swamps are other people in the JWO network. Some of them refer to Greg Swamp collectively as the "[electric Messiah](#)." I'm not sure what that means, but the accounts will be deleted and come right back up as active within days of having been closed. Interesting, isn't it? Are they just in this for the laughs? Is this JWO hardcore ANTIFA? So hardcore that they resort to hate speech and violent threats in order to stalk, slander, troll, gaslight, harass, defame, harm, bully and intimidate those of us who dare to disagree with them? Are they bona fide white supremacists who wish to see black people, Jewish people and mixed race people bullied off YouTube and perhaps even harmed in real life? I know one thing for certain—they are extremely sexist and anti-LGBT. As an asexual person, I find this aspect of their collective persona appalling.

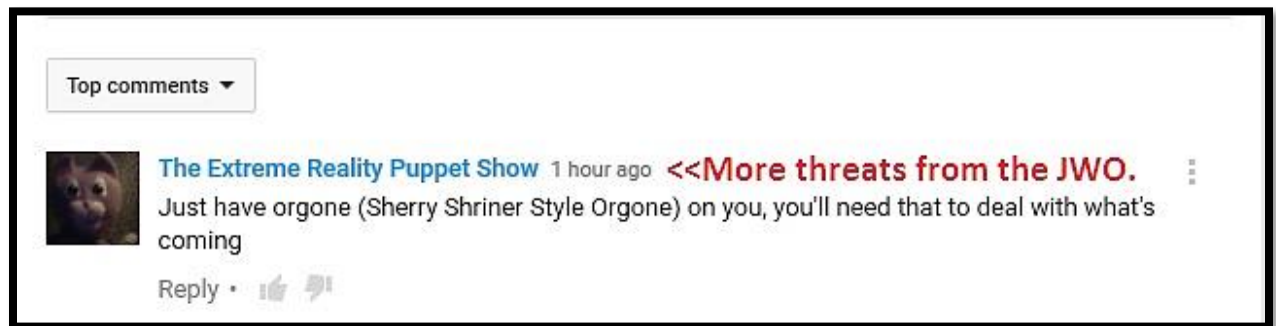

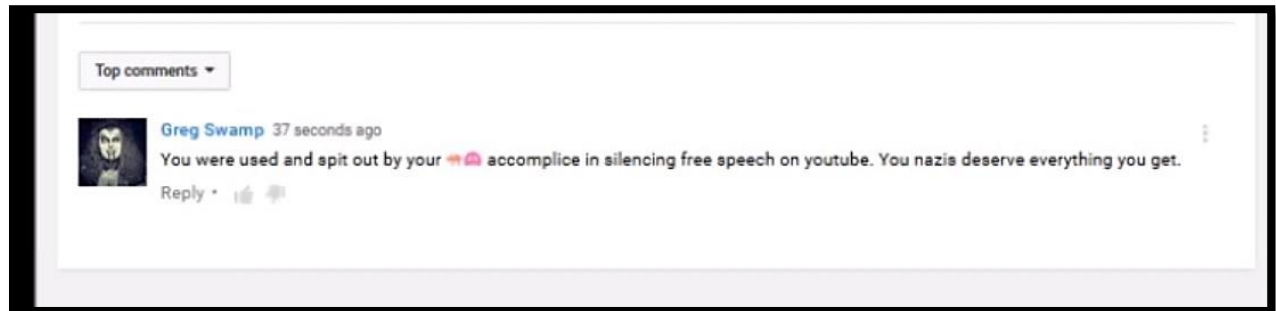

In any case, I'm not sure what to think about them yet. All I know is that they trolled, stalked, bullied, hated and harassed fellow YouTubers alongside Donna and Chance for many months, perhaps even years. They are currently "covering" for her, and they appear to really care about her fate since her removal from the Internet by the ADL. They claim that she will be back:

Donna is notorious for using the phrase “tsk.. tsk”, so the question still arises: is this “resurrected” Greg Swamp Queeny incognito? I and others have good reason to believe so. Mind you, this account was deleted for a while. And now it is reactivated with one of Queeny’s anti-Semitic videos as a feature upload:

Isn't that something? And the following posts from 8/19/16 add plenty of icing to this incredibly audacious Queeny troll cake (notably the outrageous "you nazis" reference by these vicious anti-Semites and racists):

I'm surrounded by evil and lunacy.

YouTube and the ADL must act against these trolls and their unbridled cyberbullying, defamation, slander and hate speech. Period. I, for one, have made sure that both the ADL and YouTube/Google corporate are aware of this problem:

Here is one of these JWO trolls in a monkey outfit threatening me with a satanic sigil curse (really?) and a knife: <https://www.youtube.com/watch?v=jb1f2Lixflw>

Here is the Bit Tube backup: <http://veraiconapublishers.com/QueenyJWOResearch/jwo-death-threat-against-me.mp4>

Just...wow.

Then we have Queeny's super racist KISS Greg Swamp account is "back from the dead":  
<https://www.youtube.com/channel/UCZQUBCXYPuxv4js1OAMyRw>

This means only one thing, folks. The JWO has ties to one or more persons in YouTube's admin. And this admin needs to be rooted out and fired if he or she is doing this in behalf of JWO trolls and for Queeny Cameron. It would explain, at least in part, why her videos seldom or never went down as she repeatedly violated terms of service and issued threats to bring entire channels down. All the proof one needs is contained in these videos: <https://veraiconapublishers.com/?p=7709> and in this archive: <https://veraiconapublishers.com/QueenyJWOResearch/>.

Queeny was able to manipulate and co-opt this JWO troll network, mark my words, but she and the others seemingly balked when they found out I reported them. That was unplanned for; they were unsure how to handle such a response to their cyberbullying, slander, defamation and hate speech. None of Donna's (Queeny's) victims have ever done that before. Two others assisted me and also reported her.

At any rate, here are some of Donna's final exchanges before her "biblical" downfall on YT...

Lmfao. These are the kinds of personal, cultural, humiliating attacks that we need to continue flinging at people on twitter as an attempt to shame these people and their cultures, because as it stands they shame us every day.

No one says we have to be "better" than anyone, we just want separation and survivability. Idgaf if making horrible insults, threats, and mockery towards others is "not within whites character", it is \*what \*will \*gain \*us \*survival. It will be temporary, but is needed. There is no other way of attaining our goals, and this past year was testimony to this. We can not lose our footing as we have these past two or three months.

Though I am not advocating for her to go out and make threats directly, as that would be stupid, I am advocating for us, in our personal, and online lives to be the aggressive, powerful, youthful, quick moving engine of facts we were when Trump first took office. No one can stop truth, no one can stop reality; the future is ours.

Hahahahahahah! Truthiracy3 uses a WHITE chick as his avatar, and he has the NERVE to talk about "Racism".. Hahahahahahahahaha! Looks to me like he doesn't like his BROWN SKIN. Hahahahahahaha!

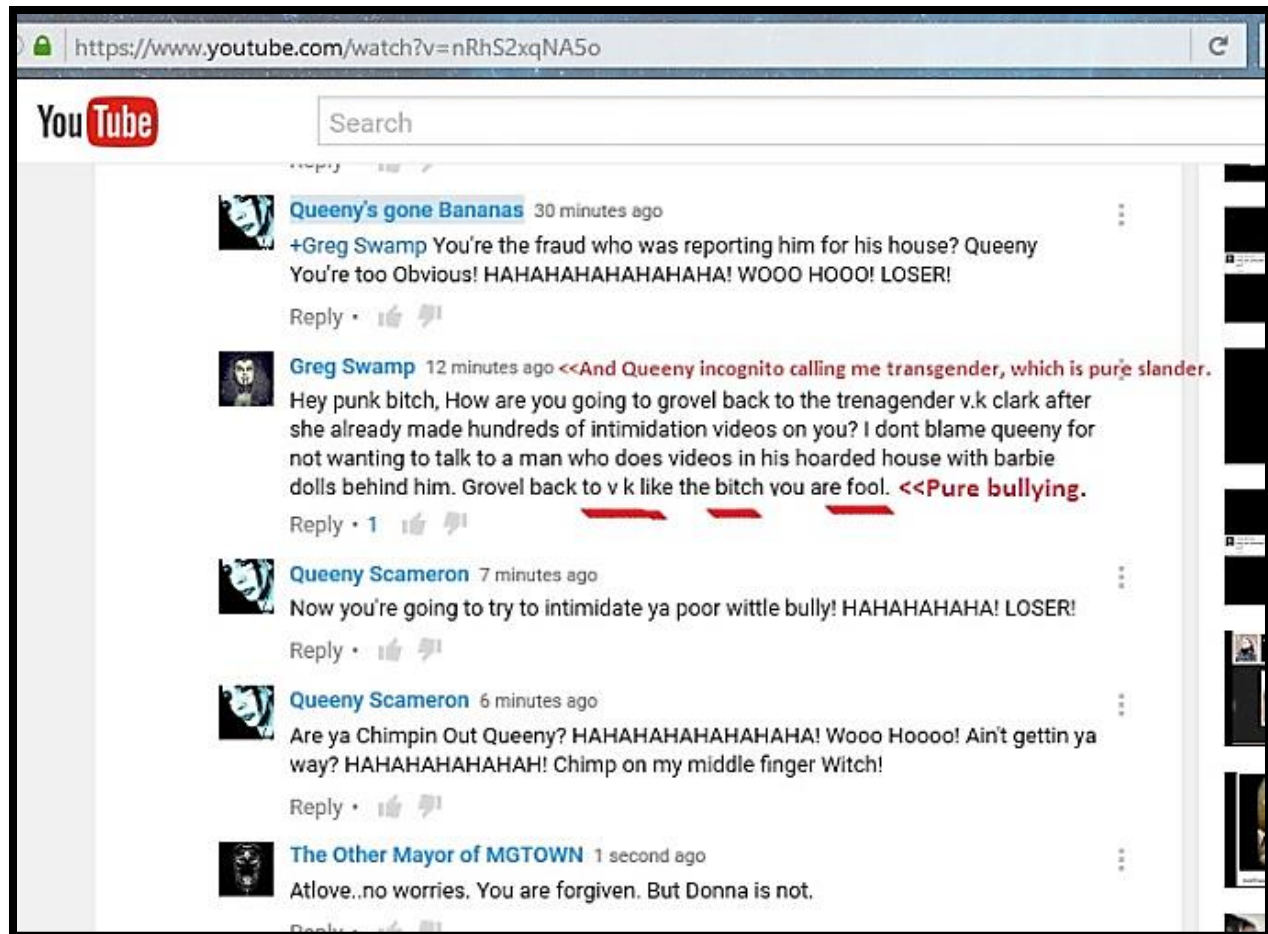

A Queeny Cameron video under one of her countless sock accounts DavidOnHisKnees. She's the one who always uses "Kenites" as a codeword to bully Jewish people. The JWO got it from her, not vice versa:

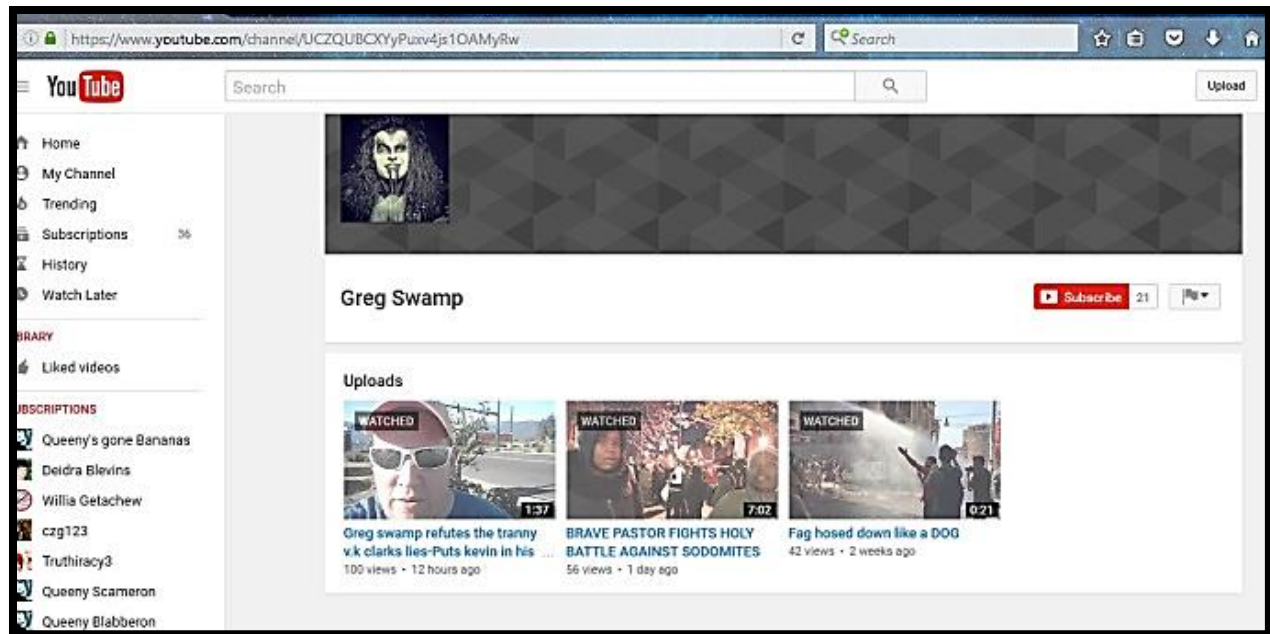

Here, Queeny is angry that her former "pit bull," Atlove Clark, has "turned" on her. Why would Rob attack Mr. Holloway in this way? Only Donna would:

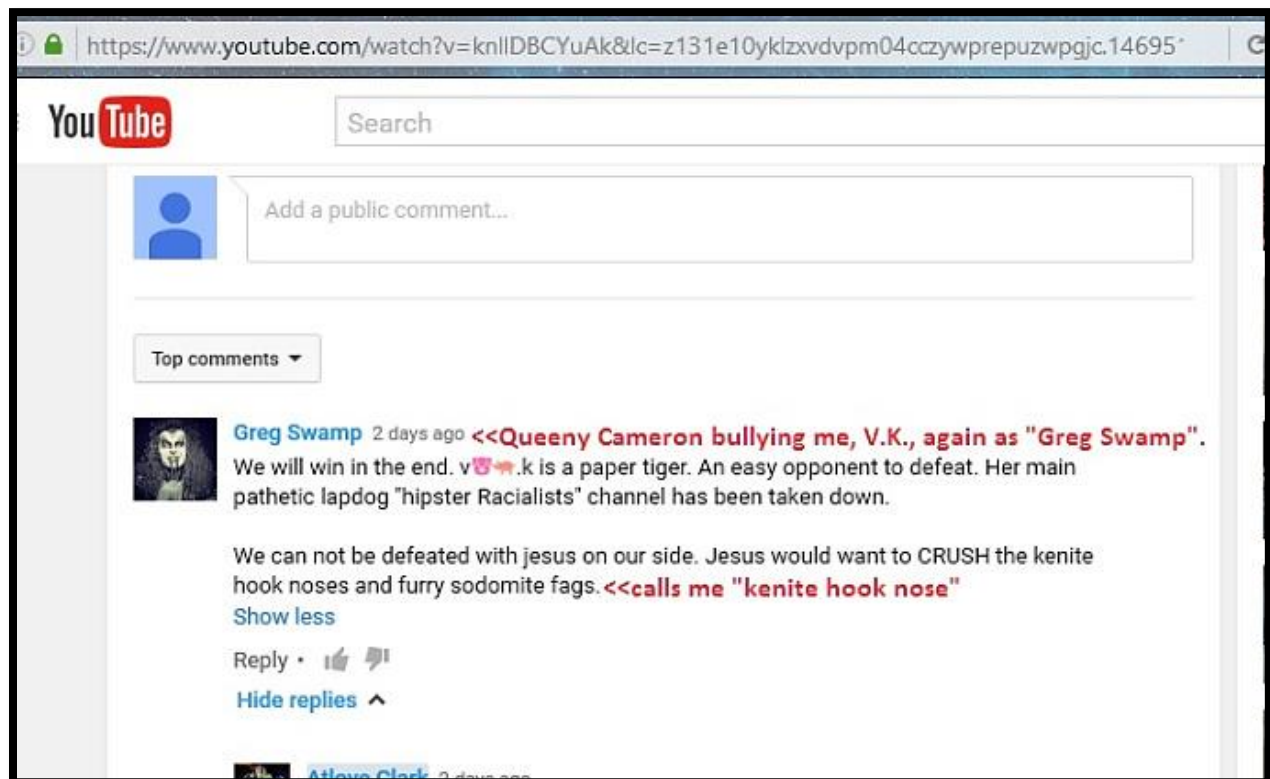

Queeny's anti-black racism and typical odd spelling of my name (v. k):

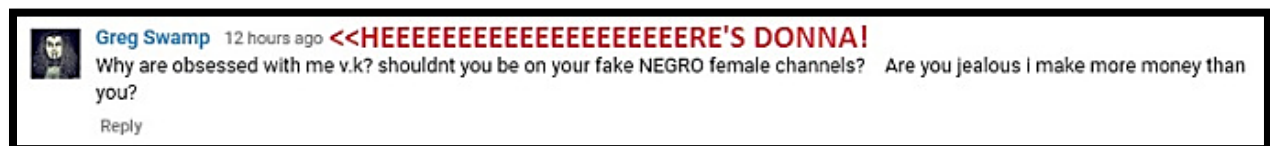

Again, this is the verbiage of Queeny and not anyone else:

Why would a man or Rob focus on my nose? This is a female vs. female insult which Donna adapted after I pointed out that her own nose was not that of the imaginary “Adamic man” that she endlessly carries on about:

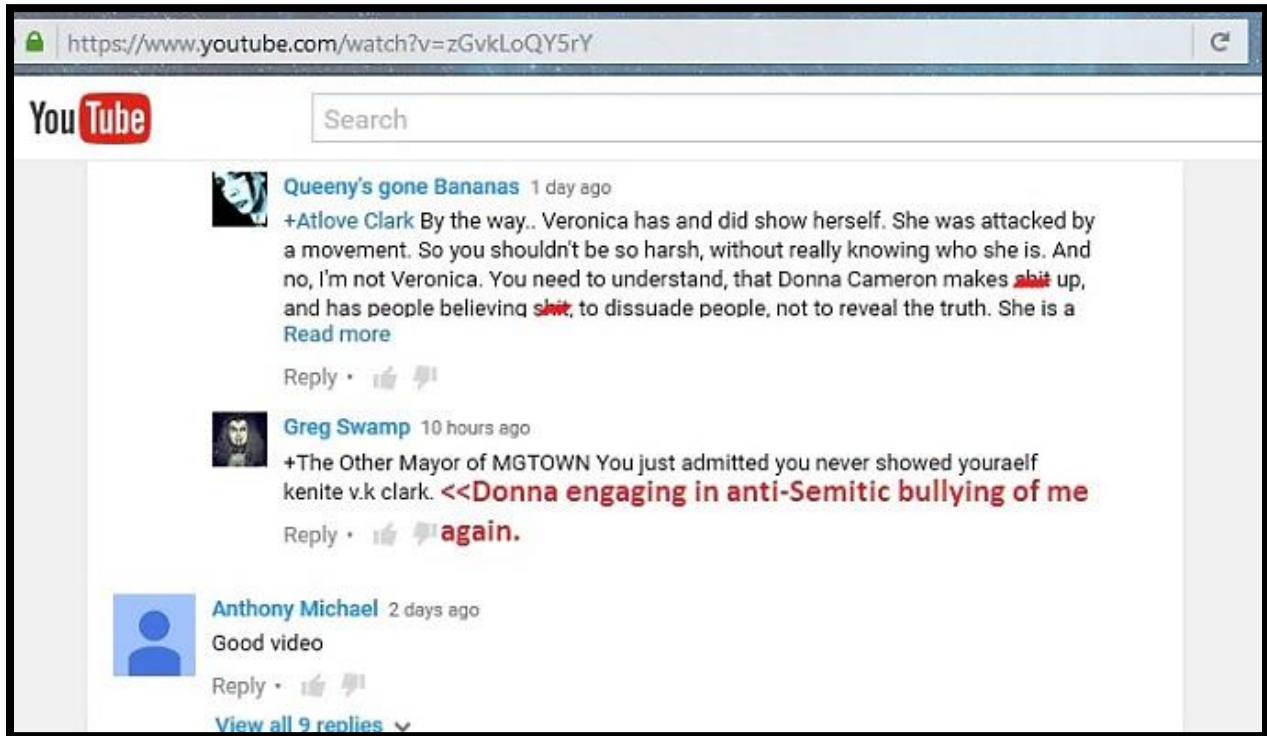

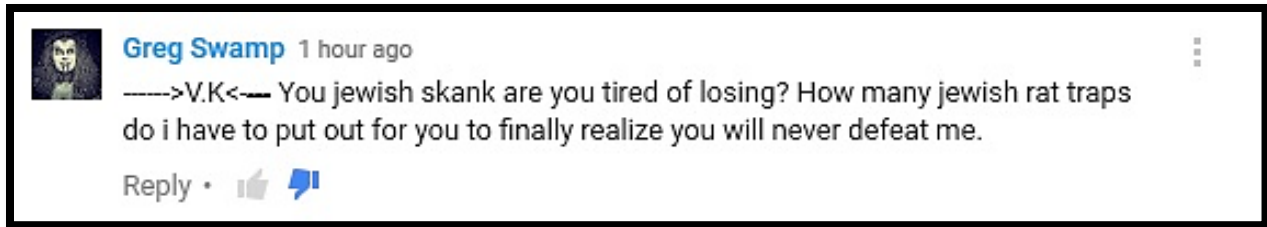

Why would Raging Rob or some other JWO troll ask me why I am “obsessed” with them, when in fact I was exposing Donna’s (and only Donna’s) serial trolling and slandering against me? She is the one with the obsession, not me. Donna had about 400 to 500 videos directed at me alone.

Why would Raging Rob or some other JWO troll other than Donna herself write this comment under my “How to File a DMCA Takedown on Queeny Cameron video?”

This is Queeny’s typical spelling of my name, language and anti-Semitism here (directed at me, V. K):

And then there's the "lovely" commentary of Raging Rob (remember now, these people are calling those who oppose them "nazis", lol):

 Raging Rob "has a love for all people" even though he calls black people the N-word and Jewish people "Kenites", "the seedline of Satan", "sons of Cain" and the K-word day in and day out on YouTube and on his Twitter account. This man is nothing more than a serial slanderer as well as a vicious homophobe and racist. Just a cyberbully who attacks others to bolster his own withering and frail, vulnerable ego. He bullied a little 12 year old girl dying of cancer. This "man" is an animal. Nothing more.

Is it true that you dated and had sexual intercourse with a 16 year old girl when you were 20 years old, Robert? That is statutory rape, is it not? You should be registered as a sex offender for your crime. As well, there are many YouTubers such as "Lather Land" who assert, with evidence mind you, that you are a pedophile. Is this true? If not, what is your evidence to the contrary, Robert J. Kinnison? This is a serious allegation which must be reported to the appropriate authorities if it is true. You know that, right?

These people suffer from the double mind, a result of either brain damage from too much TV and Internet use, or they subscribe to doublethink willingly, so as to better combat their enemies. We have VK Clark, who claims to work for data gathering groups, and who champions transgenderism, multiculturalism, pan sexuality, etc, teaming up with the likes of Bill Finck and Hipster Rapist, who are ostensibly against all that VK Clark stands for. Now, this either shows that all the people mentioned are unprincipled and truly don't believe in what they propagate, or that they are willing to compromise (like most people do) and sacrifice their ideals in order to defeat a common enemy. In other words, they're

Queeny Cameron also uses the hate term "KENITE" to express her virulent anti-Semitism undetected. This is how she skates under YouTube's TOS. She is "Christian Identity" (codeword for RACIST).

Take that bigoted nonsense and get off my comment board neeneko. You should look at yourself in a mirror and ask if you would say that to yourself. Who in their right mind says homosexuality is illegal? So this is the great VKClark's response to being told she is a fake internet journalist? Bitch, you couldn't troll me on your best day.

**Oh, Queeny.. You do like to tell Lies, don't you? Criminal trespassing and screaming at a woman over a Bracelet in Bullhead City? I think it's YOU who needs to be "reported" to the FBI and the SPLC, hon.**

**Talisman Metaphor** 4 days ago

Agent Orange,

It is called "Not allowing white nationalist apologists to make a gutter mouth convention out of the comment board". Shut up. Your ring leader known as VKClark lost because she was exposed. Going to be reporting her blog so the southern poverty law center and the FBI know about it.

VKClark denying that she identifies as transgendered and has a nazi swatztika. Such a liar.

**^^Pure libel/slander, as usual.**

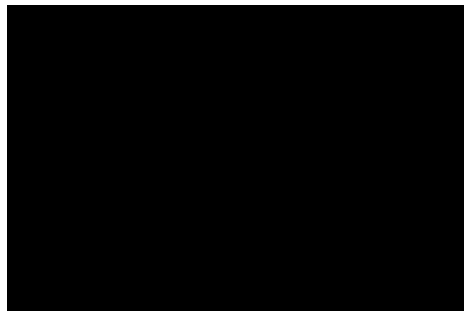

And that's a wrap, folks! Thank you so much for reading my story. Hopefully, peace and normalcy be with you as you peruse YouTube. It is NOT a "safe space" contrary to its ADL commitment and revised "Terms of Service". It is, rather, a hate haven; a platform for cyberbullies, hate speech, anti-Semitism, and serial stalking and harassment:

Indeed, the story of Keemstar's downfall says it all...really. YouTube is *out of control* when it comes to bullying, defamation, slander, abuse, trolling, and hate:

What a shame.
